STATE UNIVERSITY COLLEGE OF ARTS AND SCIENCE PICTURE

PRESIDENT TO FACULTY: 'THE FUTURE CAN BE BRIGHT'

Citing accomplishments in student recruitment and retention and the opportunity in the future for the campus community to grapple with qualitative issues rather than quantitative problems, President Burke welcomed faculty back to campus Tuesday with the observation that the College is on the eve of a new era. "It can be an era of excellence," he said. "Our collective future can be as bright as we collectively make it."

President Burke noted the College's ability to attract prospective students at a time when many public and private institutions in the state are experiencing enrollment declines. "The paid deposits from new full-time students proves beyond question the attractiveness of this campus," he said. "Though we closed applications for freshmen in mid-May and for transfer students in mid-July, the earliest date ever, the campus by August 18 had received deposits from 2,121 new students, 110% of our total goal." Freshmen, he said, account for 1,261 (115% of target); transfers for 756 (104% of target).

The College's retention rate, said President Burke, far exceeds the national average of 40 per cent and that compiled by the other senior Arts and Science Colleges in State University. "Our per cent of entering freshmen graduating after four years was 53.4 in 1974, only slightly higher than the average for the senior colleges of 53.0. Since that year, ours has risen steadily to 54.5% for the class graduating in 1976, while the average of the other colleges has declined to 48.3%. Although comparable figures are not available for the other colleges for 1977, our rate climbed to 57.1%."

The President said that the additional new students and the growing popularity of dorm living among upperclassmen will crowd campus residences to 112% of capacity. "I hope every member of the faculty, staff and administration will seize every opportunity to minimize the impact of this overenrollment. This problem, while vexing, is decidedly preferable to the enrollment declines which face many other colleges and universities."

The major issue confronting the campus this fall, he said, will be discussion of the general education proposal drafted by a committee of faculty and students during the summer months. He said that faculty will soon receive the report of the committee. "I look forward to a stimulating discussion this fall of this exciting proposal and to the implementation of a general education program next fall."

DR. ROARK RECOMMENDED AS VICE PRESIDENT FOR STUDENT AFFAIRS

President Joseph C. Burke announced last month that Dr. Eldridge W. Roark, former vice president for student affairs and associate professor of education at Radford College, VA., has been recommended to the SUNY Trustees to fill the position of Vice President for Student Affairs.

Dr. Roark, who arrived on campus August 17, is expected to receive confirmation as vice president from the SUNY Trustees later this month. He was recommended for the position by the all-College Search Committee and the Faculty Affairs Committee of the Faculty Senate.

Dr. Roark has served as Radford College's chief student personnel administrator since 1974. Previously, he served six years as associate dean of men at Purdue University and assistant dean of students at State University's Upstate Medical Center in Syracuse (1965-69). Roark received his A.B. degree from Samford

University, and the M.B.A. and Ph.D. degrees from Syracuse University.

LATEST ADMISSIONS REPORT SHOWS DEPOSITS PAID BY 2,150 NEW STUDENTS

According to the latest reports available from the College admissions office, a total of 2,150 new students (freshmen, transfers, readmitted students, foreign students and visiting students) have paid admissions deposits signifying their intent to enroll at Plattsburgh State this semester. Though final figures on new students and total student enrollment will not be available until the end of the September add/drop period, the paid deposits represent nearly a 12 per cent increase over what College officials had projected in new student enrollment for the upcoming year. The following is an August 25 admissions report which indicates the breakdown of deposit-paid new students according to programs in which they are expected to enroll.

38 PERSONS FILL VACANCIES ON FACULTY ROSTER

Information supplied by the Office of the Vice President for Academic Affairs shows that 38 individuals are new to the College faculty this semester as full-time staff members. All are filling positions left vacant because of resignations, retirements or sabbatic leave.

The new faculty, their rank and discipline together with their highest degree earned and institution from which they received their degrees are as follows:

FACULTY OF ARTS AND SCIENCE — Mr. James Chiu, instructor in business, M.A., University of Missouri; Mr. Ira Domser, assistant professor of theatre, M.F.A., Boston University; Mr. Charles I. Granicz, assistant professor in business, M.B.A., Baruch College; Mr. Robert Jirsa, associate professor of communications, Ph.D., University of Kansas; Dr. Richard Jones, assistant professor of computer science, Ph.D., Virginia Polytechnic Institute; Ms. Betty Kelley, instructor in business, M.B.Á., Marist College; Dr. Ruth Kline, instructor in theatre, Ph.D., University of Illinois; Dr. Suk-Mo Koo, assistant professor of business, Ph.D., New York University; Ms. Tara McPeek, instructor in home economics, M.S., Indiana State University; Dr. Eric Petiprin, assistant professor of geography, Ph.D., University of Georgia; Dr. Lawrence Shaffer, assistant professor of psychology, Ph.D., Ohio State University; Dr. Charles Simpson, assistant professor of sociology, Ph.D., New School for Social Research; and Mr. Raymond Thoren, assistant professor of business, M.B.A., St. Johns University.

FACULTY OF PROFESSIONAL AND GENERAL STUDIES — Ms. Agustina Benedicto, instructor in nursing, M.A., Columbia University; Ms. Eileen Benton, associate professor of nursing, M.Ed., Columbia University; Dr. James Brown, assistant professor of environmental science, Ph.D., University of Minnesota; Dr. Caridad Buncab, assistant professor of nursing, Ph.D., Columbia University; Mr. Ralph Conroy, assistant professor of environmental science, M.A., University of Hawaii-Manoa; Dr. Bernie DeGrandpre, assistant professor of education, Ph.D., Syracuse University; Dr. James Falvey, assistant professor of environmental science, Ph.D., Michigan State University; Ms. Esther Graber, instructor in nursing, M.A., New York University; Ms. Elizabeth North, assistant professor of nursing, M.S.N., University of California; Mr. Michael Olendzenski, instructor in the Comprehensive Educational Center, M.A., McGill University; Dr. Susan Schenck, assistant professor of education, Ph.D., University of Connecticut; Ms. Cynthia Taylor, assistant professor of nursing, M.S., Boston University.

New full-time members of the professional staff, their titles and highest degrees, are: Ms. Anna Bigelow, college infirmary nurse practitioner, R.N., Champlain Valley School of Nursing; Mr. Edward Brohel, director of art exhibitions, M.A., Brooklyn College; Ms. Laura Dominy, financial aids counselor, B.A., Plattsburgh State; Mr. Richard Higgins, residence hall director, M.A., Plattsburgh State; Mr. Jens Meyer, residence hall director, M.S., Plattsburgh State; Ms. Lynne Teplin, EOP advisor, M.S., Lehman College; and Mr. Michael Walsh, admissions counselor, B.A., Plattsburgh State

The six persons who have joined the faculty as full-time replacements for faculty who are on sabbatic leave without pay, their rank and highest degree earned are: Dr. Wade Andrews, assistant professor at Miner Center, Ph.D., Michigan State University; Dr. Peter Horn, assistant professor of philosophy, Ph.D., Ohio State University; Dr. Allan Kovan, assistant professor of history, Ph.D., University of California; Dr. Faruk G. Sabet, assistant professor of business, Ph.D., New School for Social Research; Dr. Steven Schacht, assistant professor of business, Ph.D., Washington University; and Dr. Samoa Wallach, instructor in biology, Ph.D., Michigan State University.

DR. ROMAN APPOINTED DEAN OF GRADUATE STUDIES AND RESEARCH

The State University Board of Trustees appointed Dr. Paul Roman as the College's new dean for graduate studies and research. His appointment became effective September 1.

Dr. Roman was formerly a professor of physics at Boston University where he had been on the faculty since 1962. He holds the M.S. and Ph.D. degrees from Eotvos University in Budapest, Hungary. Dr. Roman has more than 30 years of experience in teaching physics and mathematics at the graduate and undergraduate level in colleges and universities in the U.S., Europe, India and Mexico.

As dean of graduate studies and research, Roman will report directly to the College's vice president for academic affairs. He will have the dual responsibility for the administration of graduate programs and campus research activities. He will develop and implement guidelines for the submission of research grants, and

contract proposals. In the area of graduate studies, Roman will coordinate and advise the College's Graduate Studies Committee on Admissions Standards and Procedures.

THIS WEEK'S CAMPUS SCENE

WEDNESDAY, SEPTEMBER 6

8 am — Classes Begin

7-9 pm — Opening of exhibition "Tenth Street Days.' Rockwell Kent Gallery, Feinberg Library.

THURSDAY, SEPTEMBER 7

8 am-5 pm — Artcarved Ring Days display in College Center Lobby.

FRIDAY, SEPTEMBER 8

8 am-5 pm — Artcarved Ring Days display in College Center Lobby.

SUNDAY, SEPTEMBER 10

7 pm — SA Film — "One on One" — Hawkins Hall Large Auditorium. Tickets are available at the College Center Desk for SA members at 25¢.

TUESDAY, SEPTEMBER 12

4 pm — End Add/Drop Period

7 pm — Films — "Tiger's Tail" and "Drunken Angel." Ballroom B. Open to all free of charge.

WEDNESDAY, SEPTEMBER 13

3:30-4:30 pm — Career Planning and Placement Office sponsors a "Senior Placement Information Session." Cardinal Lounge, College Center.

THURSDAY, SEPTEMBER 14

3:30-4:30 pm — Career Planning and Placement Office sponsors a "Senior Placement Information Session." Music Lounge, College Center.

NOTE:

The first Montreal Bus of the semester will depart from the P.E. Building on Saturday, September 16 at 9 a.m. and will leave Montreal at 6 p.m. Tickets are on sale now at the College Center Desk for \$4.00 round trip. Tickets may be purchased by anyone in the College and their guests.

Information for the Weekly Calendar and for Que Pasa in Cardinal Points is processed in the Office of Student Life. The deadline for events which you may wish to advertise is on Friday noon prior to the Wednesday of the week in which the event occurs. Please send all information to the Office of Student Life, College Center or call 564-2221.

Tours through the College's Feinberg Library will be available throughout the month of September. Tours will be conducted on Tuesdays, Wednesdays and Thursdays from 9:30 a.m. to 3 p.m. All tours will originate from the library's main lobby.

STATE UNIVERSITY COLLEGE OF ARTS AND SCIENCE PICTURGH

COLLEGE'S SPECIAL SERVICES PROJECT AWARDED \$260,000

The U.S. Department of Education has awarded a two-year \$260,000 special services project grant to the College. The project is designed to provide reading, writing and math skills to 350 educationally and economically disadvantaged students cufrently enrolled at the College. Under the supervision of Tom Moran, Plattsburgh State coordinator of special programs, the project will be implemented this semester. Students participating in the project will be drawn from the College's Educational Opportunity Program. Also participating will be handicapped students and others who qualify under the grant's guidelines. Jim Garofalo, EOP advisor, will serve as acting director of the project. Funding for the project provides for the employment of three full-time skills specialists.

20 FACULTY, FOUR OTHERS PROMOTED IN RANK

Twenty members of the teaching faculty, three members of the library staff and a member of the Registrar's staff received promotions, effective September 1.

Promoted to full-professor status from the Faculty of Arts and Science are: Dr. Prem Gandhi, business; Dr. Gerhard Gruendling, biology; Dr. Hiroshi Itoh, political science; Dr. Heinz Kyritz, foreign languages and literature; Dr. Daniel Watermeier, theatre; and Dr. Ann Zielinski, art. Promoted to associate professor are: Mr. Joseph Bodenrader, mathematics; Dr. Thomas Braga, foreign languages and literature; Dr. Suzann Buckley, history; Dr. Malcolm Fairweather, geography; Dr. Kenneth Loach, chemistry; Ms. Eleanor Stoller, sociology; and Dr. Judith Van Wagner, art. Promoted to associate professors from the Faculty of Professional and General Studies are: Ms. Marilyn Chase, home economics; Ms. Clara Johnson, nursing; Ms. Lynn Nichols, nursing; and Mr. Norman Teator, elementary and secondary education. Promoted to assistant professors are: Ms. Maureen Byrne, Comprehensive Education Center (CEC); Ms. Maureen Kelly, home economics; and Ms. Helen Pianta, nursing.

Receiving promotions on the Feinberg Library staff are Ms. Anne Mitchell, librarian; and Ms. Diana Shih and Mr. Joseph Swinyer, senior assistant librarians. Ms. Daui Woodin, a member of the College's Registrar's Office staff, was promoted to the newly established position of Assistant Registrar.

DR. HEINTZ RECEIVES GRANT TO CONTINUE RESEARCH; AUTHORS \$40,000 TITLE VI GRANT

Dr. Roger L. Heintz, assistant professor of biochemistry/biophysics, has been awarded a three-year grant totaling approximately \$120,000 by the National Institute of Health for his continued research into the enzyme GTP and its effect on protein biosynthesis. Heintz' ongoing GTP research has spanned more than 13 years of grant support while working as a member of the faculties at the University of Kentucky and Iowa State University in addition to Plattsburgh. Since joining the faculty in 1975, Heintz' research into the area of protein biosynthesis has earned him two State University Research Foundation grants. Heintz is assisted in his work by two chemistry graduate students and three biochemistry/biophysics undergraduates.

In addition to his NIH grant, Heintz has obtained a \$40,000 Title VI Higher Education Instructional Equipment Grant from the U.S. Office of Education. The grant money will be used to purchase equipment that will modernize the College's biochemistry/biophysics laboratories. The equipment, which includes four highly

priced colorimeters, will be used as instructional aids for classes in biochemistry/biophysics, in quantative chemistry and organic chemistry labs and in upper level biology and physics courses.

UNITED WAY CAMPAIGN BEGINS SOON

The campus community has been challenged to raise a record \$24,500 in support of the 1979 United Way fund drive for Clinton County. United Way is the only fund-raising campaign sanctioned by the College. For the second consecutive year, Vice President for Finance and Management Bernard J. Seawell will coordinate the campus drive. A year ago the College's faculty, staff and students surpassed the campaign goal of \$17,500 with contributions totaling \$21,321.

The county-wide drive begins officially on Friday at a United Way "Campaign Kickoff Breakfast" at Howard Johnson's Motor Inn. College President Joseph C. Burke, chairman of the United Way drive a year ago, will serve as master of ceremonies during the breakfast program. He will introduce Cliff Calongne, the 1979 United Way chairman, and announce that this year's goal in support of 18 county agencies totals \$279,000. Details regarding the beginning of on-campus solicitation will be announced in subsequent issues of WEEKLY.

'CARDINAL CAPERS' SCHEDULED FOR SUNDAY

The defending champion "Blue Team," comprised of faculty, students and staff associated with the science and mathematics disciplines, will hope to keep possession of the first-place "loving cup" during this Sunday's second annual "Cardinal Capers" competition. The all-college sports field day, featuring events in volleyball, dodgeball, tug-o-war, pushball and relay races, is scheduled for 1:30 p.m. to 4 p.m., on Sunday on the playing field area adjacent to Memorial Hall. A parade, reminiscent of the Olympic Games opening ceremonies, will begin at 1:30 p.m. at the Campus School. All competitors are asked to gather in the Campus School parking lot prior to the 1:30 parade time.

College students, faculty, staff, clerical and custodial employees and their families will be organized into four teams according to their College major, discipline and/or department, division or office. Event organizers are confident of a large turnout. Marriott Food Service will cater the event selling hot dogs, soda, popcorn, and other goodies normally sold at sporting events. The first-place "loving cup" will be awarded to the winning team during ceremonies following the afternoon events.

Published by the Office of College Relations (564-2090/91)

COLLEGE GRANTED GRADUATE PROGRAM IN SPECIAL EDUCATION

The College has been given preliminary registration by the State Education Department for implementing the master of science degree program in special education. Graduates of the M.S. program will fulfill the academic requirements for permanent certification. The degree is being offered to teachers in the fields of elementary, secondary and special education. A total of 36 graduate hours will be necessary to complete degree requirements. Coordinator of the program will be Dr. William Penner, professor of special education. The faculty will be comprised of Drs. Barbara Flood, Susan Schenck and Bernie deGrandpre. The program will be under the direction of the Department of Education.

PRESIDENT PLAYS HOST TO STUDENTS IN DORM 'TRIPLE' SITUATIONS

The first of three separate wine and cheese receptions for students currently living three-to-a-room in campus residence halls was held at the home of President Burke yesterday afternoon. A second reception is scheduled for this afternoon from 4:30 to 6:00, and a third will be held next Tuesday during the same hours. The President sent invitations to each of the approximately 900 new freshmen and transfer students to attend one of the three receptions. The events are designed to welcome the students to campus, and to afford them opportunity to meet the President and members of the Student Affairs staff and to discuss residence hall living conditions.

SA ORGANIZES ABSENTEE BALLOT REGISTRATION

The Student Association will soon conduct absentee voter registration for in-state students wishing to vote in their hometown areas during the Tuesday, November 7, general election. Organizers are targeting for the registration of approximately 2,000 in-state students who reside on campus. In the near future, absentee voter registration tables will be located in the College Center and in Clinton and Algonquin Dining Halls.

'TO LEARN - TO SEARCH - TO SERVE,' NEW SUNY MOTTO

A new motto for the State University of New York, "To Learn — To Search — To Serve," was adopted this summer by the University's Board of Trustees. The Board's action also rescinded the former motto of the University which was "Let Each Become All He Is Capable of Being." The new motto emphasizes the University's three-fold mission of education, research, and public service.

BUSY WEEK AS CARDINAL VARSITY TEAMS OPEN FALL SEASON

Dale Sprague will make his football coaching debut this Saturday when his Cardinals meet Marist College in a 2 p.m. home contest that officially opens the 1978 gridiron season. Coach Sprague's much improved charges, who two weeks ago lost by two touchdowns to a powerful St. Lawrence University eleven, beat the Middlebury College "B" team 8-6 last Saturday to even their pre-season record at 1-1. The Cardinals hope to improve on last year's 1-6-1 mark.

On Thursday, women's tennis gets into swing when the Cardinals under head coach Ray Doyle meet Potsdam State at the courts behind Memorial Hall beginning at 3 p.m. They return on Saturday to host St. Michael's College at 1 p.m. Joe Jastrab's Cardinal golf team will play host to the University of Vermont on Friday at 2 p.m. at the Bluff Point Country Club. The following day they host the 12th Annual Cardinal Invitational.

Also on Friday, the Cardinal varsity men's tennis team will meet Rensselaer Polytechnic Institute in a 3 p.m. home match at the Memorial Hall courts.

Prior to Saturday's football game, the Cardinal cross-country team under head coach Dan Klein will take on Keene State, NH., in a home meet beginning at 1 p.m. New soccer coach Uwe Meyer will take his booters to Potsdam on Saturday. On Tuesday, the women's field hockey season gets underway when coach Leith Bardon pits her Cardinals against the University of Vermont in a home contest slated for 4 p.m. on the athletic field adjacent to Memorial Hall.

WEDNESDAY, SEPTEMBER 13

3:30-4:30 pm — Career Planning and Placement Office sponsors a "Senior Placement Information Session." Cardinal Lounge, College Center.

7 pm — Women's Studies Series: Dr. Pat Higgins and Dr. Helen Pollard speaking on "Biological and Cultural Basis of Sex Roles." Open to all. FOB II-109 (Old Library).

8 pm — Environmental Action Committee Reception for new members, Cardinal Lounge, College Center.

THURSDAY, SEPTEMBER 14

3:30-4:30 pm — Career Planning and Placement Office sponsors a "Senior Placement Information Session." Music Lounge, College Center.

FRIDAY, SEPTEMBER 15

1-4 pm — Informal get-together for new biology, medical technology, biochemistry/biophysics and secondary biology students. Opportunity to meet with biology faculty and former students. Beaumont Hall Lobby. served.

7 pm — SA Films — "East of Eden" and "Rebel Without a Cause." Hawkins Hall Large Auditorium. Tickets available at College Center Desk for SA members for 25¢.

7 pm — Intervarsity Christian Fellowship Meeting. Clinton Dining Hall Lounge 7:30 pm - NTA Auditions for Fall Productions. Hartman and

Studio Theatres. For more information contact Dr. Kline, FA 124B-Ext. 2286.

8:30 pm - The Screaming Border Boys. In the Pub.

SATURDAY, SEPTEMBER 16

9 am-6 pm - Montreal Bus. Leaves from P.E. Building. 1:30 pm - PSUC Football vs. Marist College at the Field House. SA members 50¢.

8:30 pm - The Screaming Border Boys. In the Pub.

THIS WEEK'S CAMPUS SCENE

SUNDAY, SEPTEMBER 17

1:30-4 pm - Cardinal Capers beginning with a parade and games between departments. At 2 pm volleyball, dodgeball relays, and pushball will comprise the forms of competition with awards being handed out at 4 pm. Open to all

7:00 & 9:30 pm — SA Concert "The Cars." SA \$3.50, G.P \$5.50. Hawkins Hall Large Auditorium.

MONDAY, SEPTEMBER 18

10 am-5 pm - Rooted Friends Plant Show. College Center

7 pm — Study Skills Workshop. Second floor of Macdonough Hall. All students invited to attend.

TUESDAY, SEPTEMBER 19

10 am-5 pm — Rooted Friends Plant Show. College Center

 Career Planning and Placement Office sponsors a "Senior Placement Information Session." Music Lounge, College Center

7 pm — Study Skills Workshop. Kent Hall Reception Room off Main Lobby. All students invited to attend.

7 pm - Film "Ikiry" by noted Japanese director Kurosawa College Center Ballroom B. Open to all free of charge.

WEDNESDAY, SEPTEMBER 20

10 am-2 pm — U.S. Marine Corps Informational Display for the Officer Training Program. College Center Lobby. (Interviews in Meeting Room 1)

4 pm — Weekly Reader. The Canterbury Tales — Readings in Middle and Modern English by English Department faculty and students. Conference Room, College Center.

7 pm — Environmental Action Committee Organizational Meeting. Music Lounge, College Center.

7 pm — Women's Studies Series presents Dr. McCormick and Ms. Merrens speaking on "Sex Roles and Sexuality." Open to all. FOB II-109

- Study Skills Workshop. Whiteface Hall, reception room opposite elevators. All students invited to attend.

7 pm — SA Finance Board will hold an organizational

asurers meeting. Cardinal Lounge, College Center. Open to all SA members

THURSDAY, SEPTEMBER 21

10 am-2 pm — U.S. Marine Corps Informational Display for the Officer Training Program. College Center Lobby. (Interviews in Meeting Room 1)

3:30 pm — Career Planning and Placement Office sponsors a "Senior Placement Informational Session." Cardinal Lounge, College Center.

7 pm — Women Inc. will sponsor a Consciousness Raising Workshop, Guest speaker — Elizabeth Pasti. Open to all. College Center Music Lounge.

- Study Skills Workshop. Hood Hall, RA Study Lounge off Main Lounge. All students invited to attend.

NOTE: The first Montreal Bus of the semester will depart from the P.E. Building on Saturday, September 16 at 9 am and will leave Montreal at 6 pm. Tickets are on sale now at the College Center Desk for \$4.00 round trip. Tickets may be purchased by anyone in the college and their guests.

Tours through the College's Feinberg Library will be available throughout the month of September. Tours will be conducted on Tuesdays, Wednesdays and Thursdays from 9:30 am to 3 pm. All tours will originate from the library's main

SEPTEMBER 21, 1978

STATE UNIVERSITY COLLEGE OF ARTS AND SCIENCE PICTURE

DEAN CLARKSON TO RESIGN AT MID-YEAR

Dr. Philip B. Clarkson, Dean of Arts and Science, has announced his intention to resign as dean at the end of fall semester. Clarkson reported to President Burke last week that the decision for leaving Plattsburgh State "is in the best interests of my wife and myself."

Clarkson joined the College faculty in the fall of 1973 as Dean of Humanities and Professor of Communications and Theatre Arts. Clarkson assumed the position of Dean of Arts and Science during the reorganization of the College's academic administration in February of 1975. Clarkson's immediate plans are to return to his home in northern California to complete a book he presently has under contract.

In a memorandum informing the Faculty of Arts and Science of his decision to resign, Clarkson wrote: "My wife and I will miss the warm friends we have made here. We hope that many of our Plattsburgh associations will continue to flourish in the years to come. I want to thank the faculty for the many courtesies its members have extended to me over the past six years. It is a fine College with a proud heritage and an exciting future."

Dr. Burke responded in behalf of the College by stating that: "The College's academic programs in the arts and sciences have improved and expanded under Dr. Clarkson's six years of dedicated leadership. During the spring semester and the summer, Dr. Clarkson also performed many of the functions of the vice-president for academic affairs until a permanent appointment was made. I speak for faculty, students and staff in saying we will sorely miss Phil and Lola. They leave with my admiration and affection."

COLLEGE FOUNDATION RECEIVES PROPERTY VALUED AT MORE THAN \$160,000

The Plattsburgh College Foundation has received a gift of property in the Essex County Town of Willsboro from Mr. and Mrs. Eustis Paine. The 87.8-acre property, which includes an estate residence, three other buildings, a workshop and an inground swimming pool, is valued by the Foundation at more than \$160,000. The gift represents one of the largest single contributions to the Foundation in the philanthropic organization's 15-year history.

"Our Board of Directors will seek a buyer for the Paine property," said E. Glenn Giltz, Foundation president. "Income from the sale will be used to establish the Eustis and Paula Paine Endowment Fund. The Foundation is profoundly grateful to Mr. and Mrs. Paine," Giltz added. "Their generosity is an expression of their faith in the College at Plattsburgh and of their concern for its continued excellence as an educational institution."

E. Glenn Giltz and President Burke visit Paula and Eustis Paine at the Willsboro property.

Mr. Paine is president of the Champlain Trading Company, Inc. in Willsboro. His affiliation with the College includes a two-year term (1972-74) as a member of its College Council. He was appointed to the Council by former Governor Nelson Rockefeller. From 1960-64, Mr. Paine represented Essex, Warren and Saratoga Counties in the New York State Senate. Mr. and Mrs. Paine have a winter home in Boca Grande, Florida.

FEINBERG LIBRARY RECEIVES THE LATE DR. HARLAN'S COLLECTION

Mrs. Philomena Harlan, wife of the late Plattsburgh State professor emeritus Dr. Earl Harlan, has donated her husband's private library collection to the College. The 785-volume gift, mainly comprised of Harlan's favorite works in English literature and his rare collection of dictionaires of the English language, will be added to the Feinberg Library's present circulating collection. Each volume of the private collection will be acknowledged with a book plate. Duplicate volumes in the collection will be offered to Clinton Community College and to area public libraries. Harlan retired in 1970 after 29 years on the Plattsburgh State faculty. He was the first faculty member ever to receive the College's Distinguished Service Award. He served as chairman of the English department from 1950 to 1964 and was the first chairman of the Faculty of Humanities in 1967-68. He died on June 14, 1977, after a brief illness.

FACULTY SENATE WORKSHOP SLATED FOR THIS SATURDAY

Representatives of the Faculty Senate's five standing committees and members of the two committees of the faculty will conduct a workshop this Saturday beginning at 9 a.m. in the College Center. Dr. Jack Myers, chairperson of the Faculty Senate, said that the workshop was organized after faculty response to a recent questionnaire indicated that officers of the Senate should re-examine their individual responsibilities and set priorities for the present academic year. The first Faculty Senate meeting of academic 1978-79 is scheduled for Tuesday, October 10.

COLLEGE HOSTS EARLY IMMERSION LANGUAGE LEARNING SYMPOSIUM

The College will host a two-day Canadian/American Symposium on Early Immersion Language Learning, September 28-29, at the Valcour Educational Conference Center. The symposium staff will be comprised of foreign language experts from Canada and the U.S. Noted speakers will include Laura Chodos, vice chairman of the New York Board of Regents Committee on Cultural Education; Paul Dammer, New York State Bureau of Language Instruction; and G. Richard Tucker, director, Center for Applied Linguistics, Washington, D.C.

The symposium will provide northern New York college and public school teachers and administrators the opportunity to consider issues relative to the importance of bilingualism in their locality. Questions relevant to current research results and problems of implementing language immersion programs will be discussed.

FRATERNITY CONDUCTS FIRST FALL SEMESTER CAMPUS BLOOD DRIVE

Psi Epsilon Chi netted 71 pints of blood last Saturday during the fraternity's first campus blood drive of the fall semester. Mike Hitchcock, blood drive chairperson, reported that Saturday's blood drive will be one of four sponsored by the fraternity this semester. Campus blood drives will be conducted the second Saturday of each month with the next collection scheduled for Saturday, October 14, from noon to 4 p.m. in Macdonough Hall Lounge. Last year the fraternity donated 355 pints of blood in the College's name to the Champlain Valley/Physicians Hospital Medical Center Blood Bank. The campus blood drives are supervised by lab technicians from CVPH and assisted by Plattsburgh State nursing students.

COLLEGE ART EXHIBIT TOURING SOVIET UNION

A faculty-student art exhibit which has been touring museums in the Soviet Union has received "highly favorable" reviews by art critics in the Soviet press, according to Professor Joseph Hennessy, chairperson of the College's art department.

Under the sponsorship of the National Council of American-Soviet Friendship, a collection of 25 original works of art — including drawings, prints, photographs and photo-silkscreens — have been on exhibit in several museums in Moscow, Leningrad, Kiev, Gorki, Kuibyshev and Togliatti since last fall. Plattsburgh faculty who are represented in the exhibition are Robin Brown, Bill Crosby, Glen Hoover, Rick Mikkelson, William Robbins and Roger Williams. Each faculty member contributed one work to the show and selected outstanding student work to complete the exhibition.

'SEVEN BEAUTIES' OPENS INTERNATIONAL FILM SERIES

"Seven Beauties," one of the most noted works of European filmmaker Lina Wertmuller, will be the first in a series of international films to be presented free during the academic year by the College's Department of Foreign Languages and Literature and the Student Association. The Italian movie, with English subtitles, will be presented at 7 p.m. this Friday (September 22) in Hawkins Hall Large Auditorium. Dr. Venice Sakell, coordinator of the film series, announced that the fall semester schedule of international films are "The Man Who Loved Women" (October 20), "Coup De Grace" (November 3) and "Iphigenia" (December 1). All showings are open to the campus community and the general public, free of charge. Films for the spring semester will be announced in a later issue of WEEKLY.

SOCCER, VOLLEYBALL, TENNIS AT HOME THIS WEEK; REMAINING VARSITY TEAMS ON THE ROAD

The Cardinal soccer team will put their 1-0 record on the line today (September 21) at 1 p.m. when they play host to the University of Vermont at the Field House. Coach Uwe Meyer's booters enjoyed an opening season 2-1 victory at Potsdam State last Saturday. This Saturday they return to Potsdam to play rival Clarkson College.

The women's volleyball team open their season against Canton Tech and Clinton Community College at the Campus School on Friday beginning at 7 p.m. The Cardinal women's tennis team (1-1) will host Middlebury College on Saturday at 11 a.m.

Plattsburgh State's Cardinal gridders, coming off a season opening 31-0 triumph over Marist College, will be at R.P.I. this Saturday. The men's tennis team will be at Potsdam and Oswego State, respectively, this Friday and Saturday and at St. Michael's College on Tuesday. The Cardinal cross-country squad will be at the University of Vermont on Saturday, while the Cardinal golf team participates this weekend in the 16th Annual Utica College Invitational.

CORRECTIONS

Two members of the faculty were identified incorrectly in two separate items in last week's WEEKLY. In the article pertaining to recent promotions, we erroneously identified Associate Professor of Sociology Eleanor Stoller as "Ms." instead of "Dr." Stoller. The item dealing with the research activities of Dr. Roger Heintz should have identified him in rank as "associate professor" of chemistry instead of "assistant professor." We regret the errors.

WEDNESDAY, SEPTEMBER 20

7 pm — SA Finance Board will hold an organizational treasurers meeting. Cardinal Lounge, College Center. Open to all SA members.

 ${\bf 7~pm}$ — Study Skills Workshop. Whiteface Hall, reception room opposite elevators. All students invited to attend.

STATE UNIVERSITY COLLEGE OF ARTS AND SCIENCE Platt/burgh

BOBBY MAHER, '74, NAMED 'ALUMNUS OF THE YEAR'

Bobby Maher, a native of Roslyn, NY., and a 1974 graduate of the College, will receive the Alumni Association's "Alumnus-of-the-Year" award, the association's highest citation, during Homecoming Weekend banquet ceremonies on Saturday, Oct. 7. The Alumnus of the Year is currently an instructor at the Summit School For Children in Nayack, NY., an institution designed to rehabilitate young people having emotional and learning disabilities. The former Plattsburgh State varsity basketball star, has been involved in teaching and counseling disadvantaged children since receiving his bachelor's degree in sociology. Prior to assuming his present position this past spring, Maher worked for four years at the St. Joseph's Home for Children in Peekskill. During his tenure at St. Joseph's, Maher was responsible for finding foster homes for youth who qualify for placement. and he supervised about half of the St. Joseph's young people who are now living in foster homes in the Peekskill area.

Maher was selected for the award by a committee of alumni board members. Bill Wood, alumni president, announced that Maher was the overwhelming choice among the candidates screened because of his devoted interest to helping young people. "His personality, character and integrity have won him the support of many friends in all walks of life and make him a fine representative of the College," Wood said. Maher, 25, will be the youngest recipient of the Alumni Association's highest citation. He and his wife, Sally, are expected to attend the Homecoming banquet ceremonies to accept the award.

PRESIDENT BURKE URGES PASSAGE OF 50 PER CENT TUITION TAX CREDIT

President Burke has urged Senate-House conferees to approve a 50 per cent tuition tax credit bill, which is the version approved by the U.S. Senate, rather than the 25 per cent credit that has passed the House of Representatives.

Dr. Burke noted that the 50 per cent credit bill would treat most public and private college students equally. Under this particular bill, private college students would receive the same benefit, and not one which is disproportionately higher. Also, 80 per cent of lower-income and middle-income students, both white and minority, attend public colleges. The 25 per cent rule, says President Burke, discriminates especially against them.

The President made his views known in telegrams to Senators Daniel Patrick Moynihan (New York), Russell Long (Louisiana), Lloyd Bentsen (Texas), Robert Dole (Kansas), and to Congressman Barber Conable (New York). All are members of the House-Senate Conference Committee that will recommend a bill to the respective legislative bodies.

MORAN ASSUMES RESPONSIBILITY FOR COUNSELING AND CAREER PLANNING AND PLACEMENT

Dr. Eldridge Roark, vice president for student affairs, has announced that Tom Moran, coordinator of the College's special programs and director of Upward Bound since 1973, will assume direct supervisory responsibility for the College's Counseling and Career Planning and Placement Offices, effective immediately.

Moran's new title will be Director of Student Development. He will have responsibility for the College's Upward Bound and EOP Programs, its Special Services Project, and Counseling and Career Planning and Placement Offices.

"Mr. Moran's increased responsibilities will be on an interim basis while we are in the process of devising a more permanent arrangement for supervision of Counseling and and its coordination with Career Planning and Placement," Roark said. "His new title more adequately describes the functions of the programs he will be working with

now that Counseling and Career Planning have been added to his responsibilities."

Under the reorganization, Dr. Paul Morocco, formerly director of counseling and counsultative services, will assume the responsibility for coordinating psychological services. His office will be located in the Health Service Building.

CAMPUS UNITED WAY CAMPAIGN TO GET UNDERWAY THIS FRIDAY

The campus campaign to benefit the United Way will be officially launched this Friday at 3 p.m. when division captains and volunteer solicitors meet in Ballroom B of the College Center. "Solicitation of the gifts will be conducted during the entire month of October," said Vice President for Business and Finance Bernard J. Seawell, coordinator of the College's United Way effort.

Seawell will announce at the meeting that the College is challenged to raise a record \$26,950 in contributions from faculty, staff and students. The goal represents anticipated gifts totaling \$24,515 from employees, and \$2,435 from students. A year ago the College's faculty, staff and students surpassed the campaign goal of \$17,500 with contributions totaling \$21,321.

Organizationally, the campus campaign will be conducted in 14 separate subdivisions of the College, each headed by a captain. The subdivisions and their captains are: Professional and General Studies (A Team) — Karl Kramer; (B Team) — Ross Papke; Campus School — Bill Derrick; Arts and Science (A Team) — George Pasti; (B Team) — Al Hassler; (C Team) — Robert Moll; Student Affairs — Cheryl Hogle; Business Affairs — Fred Ward; General Services — Mal Lavery; General Administration — Stan Supinski; Maintenance and Operations (A Team) — Mal Collin; (B Team) — Gerald Dominy; Student Organizations — Raymond Gromelski; and Marriott Corporation — Jim Moran.

1,000 STUDENTS REQUEST ABSENTEE BALLOTS

Jane Martini, a senior political science major and coordinator of the Student Association's recent absentee voter registration drive, announced that approximately 1,000 have registered for absentee ballot requests to vote in their respective counties during the November 7 general election. Organizers of the registration drive enlisted fellow students from Monday through Thursday of last week in the College Center and in Clinton and Algonquin Dining Halls. Martini explained that organizers were happy with the number of students who registered. "The success of the registration seems to indicate that students are interested in the results of this year's general election," Martini said. Absentee ballot registration requests will be mailed to each individual County Board of Elections before the October 31 deadline.

SENIORS OFFERED JOB PLACEMENT INFORMATION SESSIONS

Nearly 175 Plattsburgh State seniors have attended four of the Career Planning and Placement Office's 13 scheduled "Senior Placement Information Sessions." Ms. Carolyn Delcore, acting director of Career Planning and Placement, explained that each session is an opportunity for seniors enrolled in the liberal arts, administrative sciences, home economics, education and general studies disciplines to begin the initial job hunting process. The sessions inform prospective graduating seniors about special services provided by the Career Planning and Placement Office, methods of filing job credentials and current employment trends in the job market. Follow-up sessions on preparation of resumes and methods of successful interviewing are arranged individually during the initial session. The sessions are also offered upon the request of senior seminar instructors. Delcore announced that three more sessions will be conducted this month. Three more will be scheduled during October. Each session's date, time and location will be announced in the WEEKLY calendar.

GAMES' IMPACT ON EDUCATIONAL PROGRAMS A TOPIC OF DISCUSSION

The Plattsburgh Chapter of Phi Delta Kappa, international educator's fraternity, has invited several noted North Country educators and Lake Placid Olympic Games organizers to their regular monthly meeting to discuss the 1980 games and their impact on local educational programs. Speakers will include Dr. Peter Cayan, president of North Country Community College; Dr. Tom Steinback, president of Paul Smith College; Art Thompson, supervising principal at Lake Placid Central School; and Rob Daly, Plattsburgh State's Technical Assistance Center liason to the Olympic Organizing Committee. The group will meet Friday, September 27, at 7 p.m. at the Royal Savage Inn on Route 9. Area educators who are interested in attending the Friday meeting can contact Fred Woodward at 564-3066 for additional information.

ENVIRONMENTAL ACTION COMMITTEE SPONSORING FILM FESTIVAL

The Plattsburgh State Environmental Action Committee will be sponsoring a series of environmental and conservation films on loan from the Clinton-Essex-Franklin Library System. A different series of short films will be offered free to the campus community and general public every Wednesday through the entire semester beginning Wednesday (September 27) from 8 p.m. to 10 p.m. in the Music Lounge of the College Center.

CARDINAL GRIDDERS TAKE THE WEEKEND OFF; TENNIS, SOCCER, FIELD HOCKEY AT HOME

Plattsburgh State's football Cardinals (1-1), coming off a 15-9 loss to R.P.I. last Saturday in Troy, will be idle this weekend in preparation for next Saturday's (October 7) Homecoming clash with Brockport State.

Coach Leith Bardon's women's field hockey team plays three teams at home this week. Middlebury College will be the foe on Thursday (September 28) at 4 p.m. The Cardinal women meet Lyndon State on Saturday (September 30) at noon and St. Lawrence University on Tuesday (October 3) at 4 p.m. All home field hockey games are played on the field adjacent to Memorial

This weekend the Cardinal golfers will participate in the 20th Annual State University of New York Athletic Conference Championships at Cooperstown. The cross country team will be at St. Lawrence on Saturday for a meet with St. Lawrence and LeMoyne.

Men's and women's tennis will have home and away matches this week. The men's team plays Oneonta State at home on Friday (September 29) at 3 p.m. and then travels to McGill University on Saturday. On Tuesday (October 3) they meet Potsdam State at home at 3 p.m. The women netters will play Albany State at home on Saturday (September 30) at 1 p.m. and St. Lawrence on Tuesday (October 3) at 3:30 p.m.

Highlighting the sports action will be Plattsburgh State's 3-0 soccer team, which recorded impressive victories over Vermont (1-0), and Clarkson College (2-1) last week. The Cardinal booters host Potsdam State in an important conference game this Saturday (September 30) at the Field House beginning at 1 p.m. They then travel to McGill University on Wednesday.

THIS WEEK'S CAMPUS SCENE

League of Women Voters will have an informational table set up in the College Center Lobby from October 1-October 12 for all those interested.

State University of New York College of Arts and Science at Plattsburgh is an Equal Employment Opportunity Affirmative Action Employer.

STATE UNIVERSITY COLLEGE OF ARTS AND SCIENCE Plattburgh

SUPPLEMENTAL BUDGET PROVIDES \$57,000 FOR COLLEGE; STAFFORD'S EFFORTS PRAISED

The supplemental budget passed last week by the State Legislature includes an appropriation of \$57,000 for the College.

Of the total, \$27,000 will restore three teaching positions; \$24,000 will provide students in the work-study program with the federal minimum hourly wage; and \$6,000 will expand the program of external evaluations.

President Burke, when informed of the Legislature's action, said: "This is the first fiscal year since I have been president that we haven't had a cut in faculty positions. It is only due to the untiring efforts of Senator Ronald Stafford that we were able to get the three positions restored. We very much appreciate the Senator's continuing assistance to our College, its faculty, staff and students."

STUDENTS AND ALUMNI TO ENJOY FULL HOMECOMING '78 CALENDAR OF ACTIVITIES

Homecoming '78 swings into full activity Friday, concluding months of planning by undergraduate committees and the Plattsburgh Alumni Association. Activities include luncheons, cocktail parties, dinners, fireworks, a coffee house and the annual Homecoming Parade beginning from the Plattsburgh Plaza parking lot at 10 a.m. Saturday and the Alumni Association's Awards Banquet on Saturday night. "I Love New York" is the theme of the 1978 Homecoming parade.

Upwards of 550 alumni are expected to return to campus this weekend and begin their Homecoming celebration at a wine and cheese party on Friday evening in the lounge area of Clinton Dining Hall. Undergraduates will kick off their weekend activities on Friday with a fireworks display behind Memorial Hall beginning at 10 p.m. A bonfire and pep rally for the Cardinal football team follows the fireworks.

The Cardinal gridders will meet Brockport State at 1:30 p.m. in the annual Homecoming Weekend contest at Cardinal Stadium. During halftime ceremonies the President's Cup for community service, the Scholastic Cup for academic achievement and awards for Homecoming float competition will be presented by President Burke. An arts and crafts fair will be conducted from 10 a.m. till 5 p.m. in the College Center lobby.

Seventy-five alumni and friends of the College have registered for Saturday's Golden Anniversary luncheon which will honor graduates from the Class of '28 and earlier. Alumni from nine other honored classes — those ending in 3 and 8 — have also scheduled Saturday class luncheons at various locations in the Plattsburgh area.

Alumnus-of-the-year, Robert Maher, will be the honored guest at Saturday evening's President's reception, banquet and dance for alumni at the College Center.

GOVERNOR REAPPOINTS AMELL TO NINE-YEAR COUNCIL TERM

Gov. Carey has reappointed Bernard C. Amell, Clinton County Clerk, to a nine-year term on the College Council, ending June 30, 1987. Amell was first appointed to the Council in December, 1975, to serve the unexpired term of John H. G. Pell of Ticonderoga, who resigned. A resident of West Plattsburgh, Amell serves as chairman of the Council's Buildings and Grounds Committee.

109% OCCUPANCY RATE IN RESIDENCE HALLS; 3,100 STUDENTS LIVING ON CAMPUS

The number of students living three-to-a-room in campus residence halls has decreased approximately three per cent since September 6, according to the latest first semester College housing figures released by the Residence Life Office. Presently, there are 266 "triples" in the College's 12 residence halls — a decrease of 51 triple rooms since the beginning of the semester. Ms. Carol Allen, assistant director of Residence Life, explained that the majority of triple reductions resulted from a temporary revision in the College's housing code which allowed students living in residence halls for at least two semesters an opportunity to acquire off-campus housing.

The new housing figures also showed that 3,100 students are living in campus residence halls. Of that total 1,797 are women and 1,303 are men. This semester approximately 1,500 students living on campus are returning upperclassmen.

SUNY PROVOST PRAISES COLLEGE'S MISSION STATEMENT

Plattsburgh State's mission statement, submitted to State University last fall, has been favorably accepted after careful review by the University Provost.

In a letter addressed to President Burke last week, Provost Loren Baritz wrote: "Your mission statement has been reviewed and we find it to reflect a good sense of identity on the part of your campus. The College has obviously undertaken a thorough assessment of its clientele, its present activities, its resources, and has determined what its future directions should be."

In commenting on the 110-page report, SUNY's Provost commended the College for, "identifying itself as a diversified multipurpose college, building on present strong programs and proposing new programs which would particularly serve North Country residents."

Baritz concluded by saying: "We understand that Plattsburgh recognizes its relationship to the SUNY system and perceives and makes use of inter-campus arrangements which can enhance individual colleges and strenghten the SUNY system as a whole.

"In addition to emphasis upon articulation with community colleges, Plattsburgh's mission statement suggests sharing of faculty, facilities and equipment with University Centers in joint research efforts, expansion of the visiting student program and of cooperative specialized programs involving University Centers and Colleges of Arts and Science."

JAPANESE THEATRE TROUPE ON CAMPUS FRIDAY

Japan's leading theatre designer, Setsu Asakura, and her acting company of 10 will be performing a Japanese play entitled "The Doll Sisters" this Friday evening (Oct. 6) at 8 o'clock in Hartman Theatre. The play uses both actors and puppets, combining ancient and contemporary theatrical techniques. Done entirely in Japanese, the play will be integrated with an English narrative in order to make the action clearer to the audience. Admission is \$2.50 for the general public and free to Plattsburgh State students with a valid I.D. Tickets for the performance may be reserved by calling the Hartman Theatre box office, 564-2283, from 1 to 4 p.m. weekdays. The troupe will conduct a seminar/discussion at 10 a.m. Saturday in Hartman Theatre.

STUDENTS SELECTED FOR CUSTOMS WORK

Gregory Ferby, a junior business major from Jamaica, N.Y., and Barbara J. Franklin, a senior secondary social science major from Plattsburgh, have been selected to participate in a cooperative work/study program involving the College and the U.S. Customs Service. Ferby will begin the program this semester while Franklin is expected to begin her assignment this spring. The two will serve in the areas of patrol or inspection under the program, which was implemented last fall semester. They will be paid by the federal government, including fringe benefits. When they successfull complete the 26-week work/study program. Ferby and Franklin will be eligible for consideration for non-competitive appointment in the Customs Service at the GS-5 level. Gary Boire, a senior sociology major from Chazy, is the first Plattsburgh State student to successfully complete the program. He served the entire period at the Rouses Point border station.

The College is currently inviting applications for appointment to the program for the spring semester. Further information regarding eligibility requirements and the application process are available from Dr. Ann Hasting in the office of academic affairs in the Kehoe Administration Building. The program is open to all students on an equal opportunity basis. Veterans, women and minority students are encouraged to apply.

JOHN HOMBURGER NAMED ASSISTANT CONTROLLER

John Homburger, a 1975 graduate of the College, has been named as the College's assistant controller in charge of accounting. Homburger has been on the Technical Assistance Center professional staff since September of 1975. He received his A.A.S. degree from Canton Agricultural and Technical College.

WOMEN'S SOCCER OPENS SEASON AT UVM; MEN'S BOOTERS ENTERTAIN SIENA

Women's soccer, making its College debut as a sanctioned intercollegiate sport, travels to the University of Vermont for its opening game this Thursday (Oct. 5) while the women's field hockey team (2-1-1) and tennis team (3-2) both play at Castleton State this week.

The Plattsburgh State men's tennis team will participate in the SUNYAC championships this weekend in Syracuse. Coach Dan Klein's cross country runners will be at St. John's University this Saturday for a five school meet with St. John's, Northeastern University, Rhode Island and the University of Massachusetts.

The Cardinal men's soccer squad will host Siena College this Saturday at noon. The Cardinals, now 3-1-1 on the season, dropped an important conference match to Potsdam State last Saturday, 4-0 in overtime.

STATE UNIVERSITY COLLEGE OF ARTS AND SCIENCE Plattburgh

112 FACULTY AND PROFESSIONAL STAFF RECOMMENDED FOR DISCRETIONARY PAY INCREASES

The following is a list of College faculty and professional staff members who have been recommended to the Chancellor's Office for discretionary pay increases, effective November 22. The increases are in accord with the present agreement between United University Professions, Inc., and State University.

FACULTY OF ARTS AND SCIENCE: Anthropology — Dr. Mark Cohen, Dr. Philip Devita, Dr. Gordon Pollard, Dr. Richard Robbins; Art — Mr. William M. Crosby, Mr. Joseph L. Hennessy, Mr. Thomas E. Holland, Mr. Glen E. Hoover, Mr. Richard M. Mikkelson, Mr. Roger Williams; Behavioral Science — Dr. Roy Malpass; Biological Sciences — Dr. William Graziadei, Dr. C. Leon Harris, Dr. Harold Klein, Dr. Richard D. Moore, Dr. Richard H. Sudds, Dr. J. Stallard Waterhouse; Business/Economics — Ms. Nancy Church, Dr. Stanton Warren; Chemistry — Dr. Stuart Baum, Dr. Robert K. Ellsworth, Dr. Roger Heintz, Dr. Arnold Rheingold, Dr. George Sheats; Communications — Mr. William Chandler, Mr. Albert Montanaro, Ms. Angela J. Pikul; Computer Science — Dr. Stewart Denenberg, Ms. Ann Fleury; Earth Science — Dr. Stockton Barnett, Dr. Glenn Myer, Dr. James Olmsted; English — Dr. Ronald Davis, Dr. Thomas Morrissey, Dr. Stephen Steinlight and Dr. Ann B. Tracy.

Also, Foreign Languages — Dr. Thomas J. Braga, Dr. Jose Fernandez, Dr. Edwin Hamblet; Geography — Dr. Donald Bogucki, Dr. Charles Zinser; History — Dr. Carol Leonard, Dr. Douglas Skopp, Dr. Stuart Voss; Mathematics — Dr. Lonnie Fairchild, Dr. Patrick Fleury, Dr. Wei-Lung Ting; Music — Dr. Robert Cancelosi, Dr. Yenoin Guibbory; Philosophy — Dr. Charles Krecz, Dr. Dave Mowry; Physics — Dr. Sitaram Shastry, Dr. Paul Szydlik; Political Science — Mr. Jon Gottschall, Dr. Hiroshi Itoh, Dr. Martin Lubin; Psychology — Dr. Peter Hornby, Dr. Naomi McCormick, Dr. Matthew Merrens, Dr. Marion Smith, Dr. Noel Smith; Sociology — Dr. Tony Poveda, Dr. Edward Schaffer, Dr. Eleanor Stoller; Theatre — Mr. Timothy Palkovic.

PROFESSIONAL AND GENERAL STUDIES: Counseling — Dr. Ken Hoeltzel; Education — Mr. Larry Arcarese, Dr. James Ashe, Ms. Evelyn Bergmann, Ms. Barbara Flood, Dr. Ralph Hunkins, Dr. Annette Manganel, Dr. Robert Miller, Dr. Charles Mitchell, Ms. Anna Nardelli, Dr. Mary Anne Poston, Dr. Esther Westendorf; ERDC — Ms. Maureen Byrne, Ms. Simone Lutz, Ms. Gail Quayle; Environmental Science — Dr. John Malanchuk, Dr. James Woehr; HPER — Dr. Ernest Coons, Mr. Hollis W. Powers, Dr. Ernest Rangazas; Home Economics — Dr. Anna Messer, Ms. Christine R. Smith, Ms. Pamela A. Swack; Nursing — Ms. Janet T. Alexander, Ms. Lynn M. Nichols, Dr. Lorraine Phillips, Ms. Roberta T. Spencer, and Ms. Nancy Wineman.

LIBRARY - Mr. Jonn K. Clark, Dr. Dennis Kimmage, Mr. Eugene L. Stong, Ms. Lynne King, and Ms. Jeanne Hahn.

NON-TEACHING PROFESSIONALS: Academic Affairs — Dr. Ann Hasting; Business Affairs — Mr. Edward J. Brady, Mr. Joseph Tesoriere; IRC — Mr. Harry Bowen; President's Office — Mr. Steven Apesos, Ms. Jean Morlock, Mr. Jorge Padron; Professional and General Studies — Ms. Nilah Hausdorf, Mr. Frederick Woodward; Registrar — Ms. Daui Woodin; Student Affairs — Ms. Carol Allen, Mr. Michael Corr, Ms. Cheryl Hogle and Mr. David Truax.

BOOTLEGGING IN THE NORTH COUNTRY TOPIC OF DR. EVEREST'S NEW BOOK

Dr. Allan S. Everest, professor of history and the longest tenured member on the College faculty, has recently published a book entitled "Rum Along the Border," an oral history of the Prohibition Era in the Champlain Valley. The book, released this month by Syracuse University Press, documents the rumrunning days of the 1920's and 1930's in northeastern New York, and is based on personal interviews with local lawbreakers and law enforcement officials caught up in the events of that period. Accounts reported over a 13-year period in the *Plattsburgh Republican* and the *New York Times* were used by Everest to supplement information obtained in the interviews. Tapes and transcripts accumulated while writing the book will be donated by Everest to the New York Collection of the College's Feinberg Library. Everest has been on the Plattsburgh State College Faculty since 1947. He has published several other books about the North Country, including two on regional architecture. Part of Everest's work on his most recent book was funded through a grant from the SUNY Research Foundation.

CAMPUS UNITED WAY DRIVE REACHES 13% OF GOAL

Campus United Way Fund Drive figures compiled Tuesday (Oct. 10) indicate that contributions presently total \$3,167.18 or 13 per cent of the overall goal for the College Community. Business Affairs, under team captain Fred Ward, heads the list of top College subdivisions — contributing a total of 54 per cent of its goal. Vice President for Business and Finance, Bernard J. Seawell, coordinator of the College's United Way effort, reported that 76 per cent of the employee contributors to date have elected to use the payroll method of giving. Additionally, 63 per cent of the pledges tallied represent gifts which correspond to the "Minute a Day" campaign slogan.

Overall, the College is challenged to raise \$26,950 in donations from among faculty, staff and students at Plattsburgh State. The goal represents anticipated gifts totaling \$24,515 from campus employees and \$2,435 from students.

DURYEA CAMPAIGNER, ASSEMBLYMAN ZAGAME, TO MEET WITH STUDENTS FRIDAY

Micahel Vacek, a member of the gubernatorial campaign committee to elect Perry Duryea, and Assemblyman John Zagame (R-117th District) will conduct a "Higher Education Issues Forum" with students from the College and Clinton Community College on Friday (Oct. 13) at 10 a.m. in the Cardinal Lounge. The two Duryea supporters will meet with members of both study bodies, student government officials and the student press to discuss conflicting issues relevant to higher education in this year's governor's race.

FORENSIC UNION HOSTS 8th ANNUAL TOURNAMENT THIS WEEKEND

Approximately 15 institutions have entered this weekend's field of forensic squads that will compete for the 8th Annual Plattsburgh State Forensic Tournament championship. Defending champion Suffolk University leads the field which includes teams from West Point, Penn State, Southern Connecticut, Niagara University and Iowa State University. Tournament activities are scheduled for the College Center and Fine Arts Building and will run from 11 a.m. to 8 p.m. Friday, and continue from 8 a.m. to 5 p.m. on Saturday. The event includes a variety of individual speaking competition and four-person debate. Al Montanaro, advisor/coach of the Plattsburgh State forensic team and director of the tournament, explained that the College's tournament is one of the earliest held anywhere in the East. "Teams usually get a chance to break in their newcomers at our tournament. Our team is in for some pretty stiff competition."

The campus community and the general public is invited to observe the rounds in progress. Specific events and schedules will be available in the lobby of the College Center both days of competition.

POLITICAL PHILOSOPHER GUEST AT FRIDAY COLLOQUIUM

Dr. Ray Lamos, professor of philosophy at the University of Miami, will be guest speaker at the College's Philosophy Colloquium this Friday, at 8 p.m. in the Cardinal Lounge. A noted author of political philosophy, Lamos will discuss the "Natural Rights of Man" — the concept that certain inalienable rights cannot be taken away. The presentation is free and open to the public.

COLLEGE COMMUNITY ORCHESTRA TO PERFORM SUNDAY

The College-Community Chamber Orchestra will present a concert this Sunday (Oct. 15) at 7:30 p.m at the Newman Center. The event will feature a quartet of teenage musicians, comprised of Michael Tsuk, James Fitzwilliam, Cynthia Wood and Mollie Dustin. Special solos will be performed by faculty members Dr. Yenoin Guibbory, violin; Herman Matlock, trumpet and Dr. Robert Cancelosi, cello. The orchestra is under the direction of Dr. Angelo La Mariana.

SOCCER, X-COUNTRY, WOMEN'S TENNIS AND VOLLEYBALL AT HOME THIS WEEK

Men's and women's soccer highlight this week's campus sports action. Coach Uwe Meyer's men's squad, now 3-3-1 on the season and 0-1 in SUNY conference play, host Cortland State this Saturday at 1 p.m. at the Field House in an important league contest. Cardinal fans will have their first opportunity to look at this year's varsity women booters when they host Lyndon State, VT., this Tuesday (Oct. 17) at 3:30 p.m. at the Field House. The Cardinal women are 0-1 on the season.

Also at home this week is the Cardinal cross-country team. The Cards entertain St. Lawrence at 4 p.m. on Wednesday (Oct. 18). The women's tennis team plays Trinity College in a home match this Saturday at 4 p.m. at the Field House courts. They close out their season next week at St. Michael's College.

Coach Stuart Baum's women's volleyball team, undefeated in three contests, travels to a quadrangular meet with Albany State, Williams College and Potsdam State in Albany this Saturday. They return on Wednesday (Oct. 18) to take on Potsdam Sate at 7 p.m. at the Campus School.

The women's field hockey team (2-3-1) is on the road this week for three away contests with McGill, Johnson State and St. Michael's respectively. Coach Dale Sprague's Cardinal football squad (1-2) travels to New York Tech this Saturday.

THIS WEEK'S CAMPUS SCENE

WEDNESDAY, OCTOBER 11
7 pm — YOM KIPPUR — No Classes until 6 pm

7 pm — Study Skills Workshop on Paper Writing. Whiteface Hall, Reception Room opposite elevators.

7 pm - Women's Studies presents Dr. Devita and Dr. E. Stoller speaking on "Economic Bases of S Differentiation." FOB II — Room 109. Open to all.

The "Sreamin Border Boys" will be featured, 9 pm-1 am. FREE for all off-campus students 50¢ for others with advanced tickets or \$1.00 at the door.

STATE UNIVERSITY COLLEGE OF ARTS AND SCIENCE PICTURGH

PRESIDENT BURKE AGREES TO PRESIDENTIAL EVALUATION; PROCESS UNDERWAY

President Burke, whose five-year term as the College's chief administrative officer ends in 1979, has informed Chancellor Wharton that he desires to be reappointed President of the College.

Dr. Burke made this decision after meeting with Chancellor Wharton in Albany several weeks ago. Dr. Burke has produced a statement of his stewardship and an ad hoc evaluation committee has been appointed to conduct the evaluation process that extends about six months. Under the revised guidelines of the SUNY Trustees, the committee includes the chairperson of the College Council, the chairperson of the Faculty Senate, the elected chairperson of the student body and a representative of the administrative staff who is selected by the campus president.

The ad hoc evaluation committee will consist of Mrs. Judith L. Duken (College Council), Dr. John L. Myers (Faculty Senate), Bruce F. Mante (Student Association) and Mr. Bernard J. Seawell, vice president for finance and management, and the person chosen by President Burke to represent the administrative staff.

Dr. James E. Purde, former president at Oswego and SUNY associate chancellor for special projects, has been designated as Chancellor Wharton's representative to the ad hoc committee. Dr. Purdue will convene the committee early in November and at that time the group will plan the procedures to be followed to ensure appropriate input of constituent evaluative judgements in the review process. The committee has received from President Burke copies of his statement of stewardship. Copies will also be distributed to faculty and staff and to the Executive Committee and Senate of the Student Association.

Other steps in the review process are:

- The College Council will assemble and review the reports made by the ad hoc committee and will transmit them to Chancellor Wharton with any appropriate comments. Such comments will be made available to President Burke for his reaction.
- Chancellor Wharton will then review the several appraisals and will arrange to discuss them with President Burke and with the ad hoc committee.
- Chancellor Wharton will then recommend appropriate action to the Trustees.
- The Trustees will invite President Burke to meet with the Board at their May meeting. At its June meeting, the Board will act on the matter of reappointment.

Each SUNY President reappointed under this process is required to submit a report within one year on progress made in relation to items discussed during the May interview with the Trustees.

65% OF OFF-CAMPUS STUDENT HOUSING RATED 'GOOD' TO 'EXCELLENT'

Nearly 65 per cent of the housing in close proximity to the College received a rating of either "excellent" or "good," according to a 1978 spring semester survey of 260 students living off-campus.

Conducted by the Student Association's Off-Campus Student Housing Committee, the survey's evaluation rating was based on the following components: (1) condition of the housing, (2) maintenance of the area, (3) speed and efficiency concerning repairs, (4) accessibility of the landlords and (5) responsiveness of landlords to complaints. The overall ratings ranged from "poor" to "excellent." In the opinion of the students, 16.5 per cent of the available off-campus housing received a rating of "fair" while nearly 20 per cent was given a "poor" rating.

Hugh MacAllister, coordinator of off-campus student programs, explained that the prupose of the survey is to assist students in their search for off-campus facilities by listing the type of housing and its accommodations and by offering an evaluation by previous occupants. "If nothing else, these figures demonstrate the student need for a careful assessment and understanding of personal needs and assets in securing an apartment. It is hoped that the information gathered from this survey will enable students to be more informed about our off-campus housing situation," MacAllister said.

ACTING DIRECTORS NAMED FOR UPWARD BOUND, EOP

Dr. Eldridge Roark, vice president for student affairs, has announced the appointment of Mr. Joseph Laramie and Ms. Lynn Teplin as acting directors of the Upward Bound and the Educational Opportunity Programs, respectively. "Both appointments will be on a temporary basis until search committees for both positions can be organized and national searches conducted," Dr. Roark said. "I am extremely pleased that we have two competent people on our staff who can directly assume these responsibilities," the vice president added.

Laramie has been with the Upward Bound Program since December 1973. He was promoted to associate director of the program last September. Laramie, who holds both the bachelor's and master's degrees from the College, served in a part-time capacity with the program while enrolled at the College. He replaces Tom Moran who was recently appointed to the new position of director of student development.

Laramie

Teplin

Ms. Teplin joined the College EOP staff this semester. For nine years she served as a counselor for the College Adaptor Program, a New York City-based federally-funded college preparatory program for low income students. In 1974 she was appointed supervising counselor of the program which provides academic, financial and individual counseling for students intent on going to college.

FACULTY SENATE APPROVES LATIN AMERICAN STUDIES PROGRAM

A program proposal to add the Bachelor of Arts degree in Latin American Studies to the College curriculum was approved by the Faculty Senate at its Oct. 10 meeting. The proposal has been sent to President Burke for approval. Final approval will come from SUNY.

In other business, the Senate received a report from the Standing Committee on Resources and Planning concerning summer budget consultation. The Senate also requested the Standing Committe on Undergraduate Studies to review the proposed 1979-80 academic calendar and report back to the Senate at the next regularly scheduled meeting on Oct. 31. This meeting's agenda also includes discussion of the College regulations governing student cheating and minor changes in the faculty bylaws

DR. JANE GORE AWARDED \$13,700 ON-GOING RESEARCH GRANT FROM USDA

Dr. Jane Gore, assistant professor of home economics, has been awarded a \$13,700 grant from the U.S. Department of Agriculture for an on-going research study into rural development. The grant will be used to construct educational material for use by personnel in human service agencies. A video tape concerning interagency cooperation will be one final product of the project.

The Interagency Collaboration Study is being done as part of a larger Rural Development Research Project headed by Gore's husband, Dr. Peter Gore, associate professor of environmental science. In the past, members of the College's Home Economics faculty have served as consultants to the rural development study. The Council of Community Services of Plattsburgh and Clinton County is assisting in the projects.

\$139,366 RESEARCH GRANT AUTHORED BY DR. ELEANOR STOLLER

Dr. Eleanor Stoller, associate professor of sociology at Plattsburgh State, has authored a proposal recently awarded \$139,366 by the U.S. Administration on Aging. Stoller wrote the proposal in her role as a volunteer member of the Long Term Care Task Force of the Health Systems Agency of Northeastern New York, a regional federal health planning agency serving a 17-county area. The proposed research will focus on strategies used by the rural elderly in coping with their declining health status and functional capacity. According to Stoller, the research findings will help in preventing premature placement of the rural elderly into convalescent and nursing homes.

NOMINATIONS SOUGHT FOR DANFORTH, LUCE, TRUMAN AWARDS

Nominations are being sought for "promising" undergraduates at the College to compete as candiates for the prestigious Danforth Graduate Fellowship, The Luce Scholars Program and the Harry S. Truman Scholarship awards. The deadline for applications for any of these awards is Friday, November 3.

Danforth Fellowships are restricted to seniors who are committed to college or university teaching and who plan to pursue the Ph.D. in the Liberal Arts. Only four Plattsburgh State students may be nominated as candidates for one of up to 65 Danforth Fellowships to be awarded in national competition this year. Two Plattsburgh students who have earned the bachelor's degree on or before October 1 of this year can be nominated for the Luce Scholars Programs. The program is experimental rather than academic in nature and successful applicants receive internships or job placements in their varying fields at locations throughout the Far East. Applicants must be American citizens. Truman scholarships are awarded to students preparing for careers at any level or in any function of government. The nominations for the award are restricted to only current sophomores. The Plattsburgh nominees will compete with college and university nominees from throughout New York State. Two nominees are eligible from the College provided both are not New York State residents.

THIS WEEK'S CAMPUS SCENE

WEDNESDAY, OCTOBER 18
Continuing Art Exhibition: "Construction and Color. Continuing Art Exhibition: "Construction and Color." Constructions and geometric paintings by James Juszcyk and Edwin Mieczkowski. Myers Gallery until October 27. 3:10 pm — Mathematics and Computer Science Colloquium

These tickets are \$2.50 and may be purchased with or without Montreal Bus transportation. with or without Montreal Bus transportation

Financial Aids Office will sponsor an informational table set up in the College Center Lobby on Wednesdays and Fridays m 11 am - 2 pm for all students who have qu

STATE UNIVERSITY COLLEGE OF ARTS AND SCIENCE PIOTTO

68% OF STUDENTS ANSWER 'YES' TO PROPOSED CALENDAR REVISION

Last week members of the Student Association Senate conducted a survey among Plattsburgh State students concerning a proposed revision in the 1980 spring calendar. This proposal would allow a 16-day "Olympic Break" from February 9-24, 1980. In response to the survey, 726 students (68%) of the 1,062 students polled favored the revision, while 297 students (28%) indicated disapproval. Of the 1,062 students polled, 955 students (90%) reported they expected to be enrolled at the College during the 1980 spring semester.

A breakdown of the survey indicated that:

- 935 students (88%) felt that the Winter Olympic Games would have an influence on regularly scheduled classes;
- 513 students (48%) felt the Olympic Games would have a "very disruptive influence on regularly scheduled classes; 422 students (40%) felt the games would have a "midly disruptive influence;
- 596 students (55%) felt that the proposed 16-day break would have a detrimental effect on their academic work; 458 students (43%) believed that the break would have no effect on their studies; and
- 653 students (61%) would be willing to pay for their meals while remaining in their dormitories during all or part of the break period.

Additionally, 646 students (61%) answered that the selection of Lake Placid as the site for the 1980 Winter Olympic Games had no influence on their decision to attend Plattsburgh State, while 30 per cent (318 students) indicated that the Winter Games in Lake Placid had some influence on their decisions to enroll at the College.

The possibility also exists that up to 600 students will be needed as volunteers for the Olympic Games. In the survey, 74% of the students answered that they would work as volunteers, without pay, in some type of Olympic Games capacity.

Earlier, President Burke explained that the proposed calendar would seem in the best interest of the College. "The Olympic Games in nearby Lake Placid would affect adversely our academic activities if classes are in session," President Burke said. "I feel this break in the calendar would allow our faculty and students to take full advantage of the games at Lake Placid as workers, volunteers and observers."

Presently, the Faculty Senate's Standing Committee on Undergraduate Studies is reviewing the proposed calendar revision. The Senate will deliberate the calendar at its Tuesday,October 31, meeting and will let its decision be known to President Burke.

CAMPUS UNITED WAY AT 47% OF GOAL; WPLT-FM SPONSORING BENEFIT DANCES, HALLOWEEN PARTY

Contributions to the campus fund drive for the Clinton County United Way totaled \$11,463.91 as WEEKLY went to press with this issue. The total represented an achievement of 47 per cent of the overall goal established for the campus community. The College's United Way fourth week report indicated that 43 per cent of the employees have been contacted for contributions. Nearly 65 per cent of contributing employees have elected to give via the payroll deduction plan. The College's Maintenance and Operations B-Team, under Captain Gerald Dominy, is the first College unit to reach 100 per cent of its goal.

Student radio station WPLT-FM will sponsor two student dances this week to benefit the campus UnitedWaydrive. The first will be held on Thursday (Oct. 26) at 8 p.m. On Halloween, WPLT-FM will sponsor a costume party and dance. Both events will be held at "The Pub" and a 25¢ donation to the United Way will be requested.

SOKOLOWSKI SERVING AS ACTING DIRECTOR OF FINANCIAL AIDS

With the retirement of Ms. Jane Minnier as director of financial aids this past summer, Ms. Suzanne M. Sokolowski has assumed the position of acting director in the Financial Aids Office. A graduate of State University at Buffalo, Sokolowski first joined the College staff as an admissions assistant in the Educational Opportunity Program. From 1968-74, she was an assistant to the director of financial aids at State University at Buffalo.

During the 1977-78 academic year, Sokolowski's office processed nearly \$3.25 million in financial aid to Plattsburgh State students. Of that total, \$2.50 million alone consisted of monies from the Basic Education Opportunity Grants (BEOG) and the state government Tuition Assistance Program (TAP). In addition, \$743,033 was processed last year by the Financial Aids Office for funds awarded to Plattsburgh State students from National Direct Student Loans (NDSL), Supplemental Education Opportunity Grants (SEOG), College Work/Study, and the Plattsburgh College Foundation.

DR. HENRIKSEN'S NEW BOOK PUBLISHED IN ENGLAND

Dr. Thomas H. Henriksen, associate professor of history at the College and an expert in contemporary African revolution, has recently published a book entitled, *Mozambique: A History*, by Rex Collings Publishers of London, England. The book is the first scholarly effort of its kind to treat the history of the southeastern African country of Mozambique, considered in present-day diplomacy as in the center of Africa's racial and political turmoil. The book surveys the period before the coming of the Portuguese to the country in 1498; analyzes the growth of nationalism resulting in the bitter 1964-1974 revoluntionary war for independence; and concludes with an assessment of the first two years of independent rule.

A SUNY Research Foundation Grant helped support some of the funding for Henriksen's new book. He plans on returning the proceeds from sales of the book to the Mozambican people through the Mozambique Educational Fund.

CARDINAL HOCKEY EXHIBITION CONTESTS AGAINST CLARKSON, UVM ON TAP

Two powerful NCAA Division I hockey opponents, Clarkson College and the University of Vermont, invade the College Field House this week for exhibition clashes against the 1978-79 Cardinal squad. Clarkson College will be at the Field House on Thursday (Oct. 27) for an exhibition match slated for 7:30 p.m. The Cardinals will attempt to avenge last year's 11-5 drubbing by the Potsdam-based Knights. Tickets for the Clarkson contest are \$2.00 for adults and \$1.00 for non-PSUC students, and can be purchased the night of the contest. Admission for PSUC students with a valid I.D. is 50 cents. Tickets for students may be purchased in advance at the College Center desk.

On Wednesday (Nov. 1), the long-awaited hockey matchup between the Cardinals and the Catamounts of the University of Vermont will take place at the Field House beginning at 7:30 p.m. Coach Lou Frigon's defending SUNY Conference and New York Collegiate Hockey Association champions will have their hands full against the 1978-79 version of the Catamounts predicted to be one of UVM's strongest hockey squads in several years. Tickets for the exhibition game are priced at \$1.00 for students at the College, and \$2.00 for the general public. They may be purchased in the community at the Barber Shop, at Ormsby's Sports World, at Cahill's Sporting Goods and at Fountain and Lucas Grocery or on campus at the information desk in the College Center, or evenings at the Field House. Proceeds from the UVM game will benefit the scholarship program of the Cardinal Booster Club.

DR. CURRIER WRITES BOOK REVIEW IN 'CHRONICLE OF HIGHER EDUCATION'

Dr. Richard Currier, a part-time visiting professor of anthropology, has published a book review article on Harvard sociobiologist Edward O. Wilson's recent book, On Human Nature. The review appears in the October 16 issue of The Chronicle of Higher Education. Currier's two-page review lauds Wilson's recent work as "preparing the ground for a significant alteration in the intellectual landscape; the joining of biological and social sciences in a new and revolutionary science of human behavior." Currier received his Ph.D. degree from the University of California-Berkeley. Currier is replacing Dr. Mark Cohen, who is presently on sabbatic leave from the anthropology faculty.

PROFESSIONAL STORYTELLER TO TELL TALES ON HALLOWEEN NIGHT

Joyce Timpanelli, professional storyteller, will be at the College at 8:30 p.m. on Halloween night (Tuesday, Oct. 31) in the Cardinal Lounge to enchant Plattsburgh State students and faculty once again with her ancient myths, American Indian legends, African folk tales, Zen stories, and European fairy tales. Ms. Timpanelli, whose visit is sponsored by the College's Anthropology Club, has performed at major museums and art galleries in this country and abroad and is one of the few people in the modern world actively carrying on the ancient tradition of oral literature. Tickets for the Halloween performance are \$3.00 each and are on sale at the College Center Desk and at the Anthropology Department office (Hawkins Room 031)

SPRING SEMESTER ADVISEMENT PERIOD BEGINS NOV. 1

The advisement period for the spring semester has been scheduled for Nov. 1-10. During that period students must meet with their advisors, plan their spring semester schedules and deposit their Master Registration Card in the appropriate location in the College Center lobby during the hours of 9 a.m. to 4 p.m.

Registration results will be distributed Dec. 4-5. Students residing on campus will receive the material in their residence hall mailboxes while off-campus students may pick up their registration results in the lobby at the College Center between the hours of 9 a.m. and 4 p.m.

The 1978-79 Handbook for Academic Advisors has been distributed to all faculty and members of the professional staff. Anyone who did not receive a copy may request one from Tom Corigliano, coordinator of academic advisement, Kehoe Administration Building, Room 314.

THIS WEEK'S CAMPUS SCENE

WEDNESDAY, OCTOBER 25

4-7 pm — Opening Reception — Student Art Exhibition by Jim Popalis. College Center Cardinal Lounge. Exhibition continues to November 10.

4-7 pm — Opening Reception — Student Art Exhibition by Rod Varney. Myers Fine Arts Lobby. Exhibition continues to November 10.

6 pm - EOP students meet advisory board members. College Center Ballroom B.

7 pm — Environmental Current Issues Forum. College Center Conference Room.

7:30 pm — Career Planning and Placement Office will sponsor a Career Forum on Communications for those interested. College Center Ballroom B.

7:30 pm — Women's Studies presents Ms. Church and Ms. Rockefellar speaking on "Women in Management" and "Women in Higher Education." FOB II-109.

8 pm — Environmental Action Film Festival. "Symmetry," "Natures Strangest Creatures," "Ancient Peruvians," "First Americans," "Hammerman of Williamsburgh," "Look at Burlington." Music Lounge, College Center.

- The Communications Department will host shmen/Transfer Communication Get Together. Open to all freshmen and transfer communication majors. Cardinal Lounge, College Center.

THURSDAY, OCTOBER 26

3:30 pm — PSUC women's field hockey vs. Potsdam State. Memorial Hall Field.

12:10 pm — Biology Lunch-time Seminar "Microcosm Evaluation of the Agricultural Potential of Fly Ash" by John Malanchuk. (Bring your lunch.) Beaumont Faculty Student

6 pm - Recruitment of EOP students throughout New York State. Open to EOP students and staff. College Center

7 pm - Women's Health Fair sponsored by Women Incorporated. Bev Reuter will speak on Stress. Lynn Howard will speak on Cancer. Methodist Church on Beekman Street.

7:30 pm — PSUC vs. Clarkson College. Exhibition Hockey. Field House. Tickets at College Center Desk: SA 50¢, faculty \$1.00, public \$2.00.

7:30 pm — Eta Zeta presents Rosalee Schenker speaking on "What Can Parents of Stutterers Do?" Open to all. College Center Music Lounge.

8 pm — Toronto Dance Theatre. SA members free, Public \$7.50. Hartman Theatre.

FRIDAY,, OCTOBER 27
4 pm — End Unrestricted Withdrawal Period

7:30 pm — Inter-Varsity Christian Fellowship meeting. Clinton Dining Hall Lounge. Open to all. 9 pm — Hall bloween Party and Dance for off-campus students. On-campus students 50¢, off-campus students free. Everyone \$1.00 at the door. Tickets available at College Center Desk.

10 pm - End of quarter

8 pm — College Center Coffeehouse — great music, great food. Open to all. College Center Music Lounge.

SATURDAY, OCTOBER 28

9 am — Montreal Bus leaves and returns to the P.E. Building. Tickets are \$4.00 and available at the College Center Desk. 1 pm — PSUC women's volleyball vs. St. Michael's/Siena.

7 & 9 pm — SA Film — "Black Christmas." SA members only. Tickets 25¢. Hawkins Hall Large Auditorium

8 pm — Chamber Series Concert featuring Karl Kraber flutist. Hartman Theatre.

MONDAY, OCTOBER 30

12:15 pm — Plattsburgh College Foundation Board of Directors meeting. College Center Conference Room. Members only

TUESDAY, OCTOBER 31

3 pm - PSUC women's soccer vs. Albany State. Soccer Field, Field House

- ACTION Group Information Session. College Center Ballroom A. Open to all. **6:30 pm** — PSUC women's volleyball vs. University of Vermont. Campus School.

7 pm - Films - "White Sheik" and "Fellini: A Director's otebook." Ballroom B, College Center

8:30 pm — Joyce Timpanelli — professional storyteller — one of the few remaining keepers of the almost vanished tradition of oral literature, will give a splendid performance. Open to all \$3.00. Tickets at the College Center Desk. College Center Cardinal Lounge.

WEDNESDAY, NOVEMBER 1

Artcarved Ring Display.

9 am-4 pm - ACTION Interviews in meeting rooms 1 and 2. 4 pm — Weekly Reader — Barbara Doh and Dr. Ann Tracy reading current and classical works from Kiddle Canon. Conference Room, College Center.

4 pm — RA Program — Opportunities in the Business World.
Open to all. College Center Cardinal Lounge.

7 pm — Women's Studies featuring Dr. Zelinski speaking on "Women in Art." FOB II-Room 109.

7:30 pm — PSUC vs. University of Vermont. Exhibition Hockey. Field House. Sponsored by the Cardinal Booster Club. Tickets \$1.00 for all students, \$2.00 for public.

8 pm — Environmental Action Film Festival featuring "Sirene," "Great Barrier Reef," "Seal Island," "Seasons," 'County in the Clouds." College Center Music Lounge. THURSDAY, NOVEMBER 2

9 am-4 pm — ACTION Interviews in meeting rooms 1 and 2. 8 pm — Concert — George Benson — Field House. Tickets \$4.50 SA students, \$6.50 public. Available at the College Center Desk; Cahills, Pyramind Mall; Scotts Appliance, Margaret Street.

NOTE: Friday, October 27 there will be a Halloween Party and Dance sponsored by the Student Association Off-Campus Student Committee in the Ballroom, second floor of the College Center. The "Screamin Border Boys" will be featured. 9 pm-1 am—FREE for all off-campus students, 50¢ for others with advanced ticket or \$1.00 at the door

Financial Aids Office will sponsor an informational table set up in the College Center Lobby on Wednesdays and Fridays from 11 am - 2 pm for all students who have questions about or are seeking more information on Financial Aid.

Tickets are available for the 2 pm performance of "Paper Wheat" at the Centaur Theatre on October 28. These tickets are \$2.50 and may be purchased with or without a Montreal

STATE UNIVERSITY COLLEGE OF ARTS AND SCIENCE

platt/burgh

STUDENTS CITE FACTORS WHICH INFLUENCED THEIR ENROLLMENT DECISIONS

An analysis of leading factors and/or institutional features which influenced students' decisions to enroll at the College shows that 58 per cent of this fall's freshman class chose Plattsburgh because it offers the academic programs they most wanted. Fifty-three per cent reported that Plattsburgh's academic reputation influenced their enrollment decisions, and 53 per cent also noted that the College's geographical location was a leading attraction. The analysis was compiled from results of a survey of new students taken during summer orientation under auspices of the College's Office of Institutional Research and Analytical Studies.

Other major influences included the College's size and its social atmosphere. Forty-nine per cent of the respondents cited the former feature and 44 per cent the latter. Extracurricular activities at Plattsburgh influenced the decisions of 32 per cent of the College's freshman class.

Of the total freshman survey sample (992 individual questionnaires, representing an 81% return), 78 percent reported they were "very sure about their decision to attend Plattsburgh." Sixty-five per cent indicated that Plattsburgh was their first choice among colleges and universities.

Also of importance...40 per cent of the freshman respondents, or approximately 400 new students, acknowledged they had been contacted by a Plattsburgh State alumnus while they were in the process of choosing among colleges and universities. Of that number 50 per cent (192 students) noted that this personal approach — a joint effort sustained by Plattsburgh State's offices of alumni affairs and admissions — had a major influence on their enrollment decisions.

MOBILE HOME OWNERS CAN REDUCE HEATING ENERGY BY NEARLY 50 PER CENT

Members of the Plattsburgh State faculty, in conjunction with the William H. Miner Institute, are near completion of a two-year study concerning the design of a practical application for conserving heating energy in early model mobile home units. Dr. Rudolph Bobka, professor of chemistry at the College and director of the research study, explained that members of the research team have produced a safe, cost-effective and practical guideline that mobile home owners can apply in order to reduce the use of energy for heating purposes.

According to the study's published findings, the guidelines can enable mobile home owners to reduce their heating energy consumption by as much as 50 per cent. The study, funded by a grant from the Empire State Electric Energy Research Corporation, was conducted on a test mobile home located at the Miner Institute in Chazy. The technical data included in the researchers' report will be edited and published locally in the near future for distribution to area mobile home owners. Members of the College research team involved in the project are: Dr. Fred Kissner, assistant professor at the Institute for Man and Environment; Dr. Donald Ryan and Dr. Paul Szydlik, professors of physics; and Dr. Michael Stoller, assistant professor of business/economics. Dr. Jim Dawson, director, Institute for Man and Environment, is the project's administrator.

CAMPUS UNITED WAY GOAL DRIVE 30% AHEAD OF LAST YEAR

Contributions to the campus fund drive for the Clinton County United Way totaled \$15,958.91 as of the end of the fifth official week of solicitations. The percentage raised to date toward the total goal is nearly 30% higher than it was at this stage of the drive a year ago. (WEEKLY, Nov. 3, 1977, reported achievement of 36.7% of the campus goal.) The latest total represents 66% of the overall goal established for the campus community. The College has been asked to raise a record \$26,950 in gifts and pledges — \$24,515 from employees and \$2,435 from students — in support of the 1979 United Way Campaign.

Mr. Bernard J. Seawell, vice president for business and finance and coordinator of the College's United Way effort, expressed optimisim that the College will achieve its goal prior to the end of the drive. Particularly encouraging, he said, is the fact that a greater-than-ever number of campus employees is electing to contribute by way of the payroll deduction method of giving.

\$26,950.00

COLLEGE SPENDS NEARLY \$2.5 MILLION IN GRANT MONEY OVER 21-MONTH PERIOD

Information supplied by Plattsburgh State's Research Foundation campus accounting office indicates that the College expended approximately \$2.5 million dollars in grants awarded to the institution during a 21-month period, from January 1, 1977 to September 30, 1978.

According to the office's end-of-the month September computerized report, the following amounts from federal, state and public and private institutional sponsored grants have been expended by these areas of the College:

Educational Support — \$1,081,064; Research — \$531,209.11; Public Service — \$403,044.23; Libraries — \$3,840.22; Administrative Sponsored Funds — \$28,155.86; and Institutional and General Support — \$96,209.44.

DR. GANDHI AWARDED SENIOR FELLOWSHIP TO INDIA

Dr. Prem Gandhi, Plattsburgh State professor and chairperson of the business and economics department, has been awarded a senior fellowship by the Indian Council of Social Research, New Delhi, India, for his proposal entitled, "Economic Integration in South Asia." The one-year fellowship, amounting to 60,000 Indian rupees or approximately \$15,000 in American currency, will provide Gandhi an opportunity to further his research studies while a member of the faculty of an international university located within India. Gandhi's research in South Asian economics has included numerous published articles and reports including two papers which appeared in a book of readings on the Indian Economy. Gandhi has been a member of the College faculty since 1966. He received his Ph.D. in economics from the New School for Social Research. Gandhi plans to begin his Indian Senior Fellowship during his sabbatical year in 1981.

1,944 STUDENTS ENJOY FIRST SEMESTER INTRAMURAL PROGRAM

A first semester report on the College's intramural program indicates that 1,944 Plattsburgh State students registered to participate in nine men's and women's campus organized athletic programs. First semester women's volleyball competition attracted the largest participation in any single women's intramural program with 487 women organized into 38 teams. In the men's category, broomball took top participation honors with more than 650 students signing up to compete in a 48-team league. Ms. Leith Bardon, faculty coordinator of intramurals, reported that men's broomball was in danger of being terminated several weeks ago because of a rash of game injuries. However, Bardon said that the number of injuries has been reduced due to several rule changes and stricter enforcement of existing rules.

At present, students can sign up for a November 4-5 intramural racquet ball tournament to be held at Memorial Hall Gymnasium. Highlighting next semester's intramural program will be the introduction of coeducational intertube water polo.

FORMER OSWEGO PRESIDENT NAMED SUNY'S TOP ACADEMIC ADMINISTRATOR

Dr. James E. Purdue, former President at Oswego and currently Associate Chancellor for Special Projects, has been appointed Vice Chancellor for Academic Programs, Policy and Planning at SUNY. Dr. Purdue, who will assume SUNY's top academic administrative post on Nov. 1, replaces Dr. Loren Baritz, SUNY provost, who becomes University Professor at Stony Brook, effective Jan. 1.

The action was taken at the SUNY Trustees' October meeting. In other appointments, John F. Buckhoff, Jr. becomes Acting Deputy to the Chancellor for Central Administration Services; John J. Mather is appointed Associate Chancellor for Public Services; and Charles B. Neff becomes Associate Vice Chancellor for International Programs. All of the aforementioned appointments are effective Nov. 1.

CARD GRIDDERS AT HOME THIS WEEK; HOCKEY SEASON OFFICIALLY OPENS SATURDAY

After one month on the road against three opponents, Coach Dale Sprague's 1-5 Cardinal football squad returns home this Saturday afternoon to play host to SUNYAC foe Cortland State at Cardinal Stadium. The Cards wrap up their regular season next week with defending SUNYAC champion Albany State invading the College's home turf on Saturday (Nov.11). Kickoff for Saturday's Cortland game is 1 p.m.

On Saturday (Nov. 4), the Cardinal hockey team will start on the long road in defense of their SUNYAC and New York Collegiate Hockey Association crowns when they host non-league foe Bishop's University at the Field House. The Canadian visitors will be the opening contest on the College icers' 1978-79 regular season schedule. Faceoff is set for 7:30 p.m.

In other sports action, the women's volleyball team will participate this Saturday in the Eastern Division New York State Association for Intercollegiate Athletics for Women's Volleyball Tournament. They next travel to St. Michael's College for a Wednesday (Nov. 8) match, and wrap up their season at the Concordia Invitational in Montreal, Saturday, November 11.

THIS WEEK'S CAMPUS SCENE

WEDNESDAY, NOVEMBER 1

7 pm — Women's Studies featuring Dr. Zelinski speaking on "Women in Art." FOB 1-Room 109.

7:30 pm — PSUC vs. Univ. of Vermont. Exhibition Hockey Field House. Sponsored by the Cardinal Booster Club. Tickets \$1.00 for all students, \$2.00 for public.

8 pm — Environmental Action Film Festival featuring "Sirene," "Great Barrier Reef," "Seal Island," "Seasons," "County in the Clouds." College Center Music Lounge.

THURSDAY, NOVEMBER 2

STATE UNIVERSITY COLLEGE OF ARTS AND SCIENCE PICTURE

FACULTY SENATE TAKES ACTION ON 1979-80 CALENDAR REVISION

The Faculty Senate took three actions at their Oct. 31 meeting on the 1979-80 proposed academic calendar revision after hearing a report from the Senate's Standing Committee on Undergraduate Studies. In action taken, the Senate:

- recommended that the College be closed for an "Olympic Break" period between February 9-24, 1980;
- rejected a proposed revision in the 1979-80 calendar which would provide for 60-minute classes replacing 50-minute classes three days a week; 90-minute classes replacing 75-minute classes two days a week; and three and one-half-hour classes replacing three hour evening classes; and
- rejected the recommendation to shorten the semester calendar from 15 weeks to 12 weeks.

The Senate also voted to waive the college policy for the 1979-80 academic calendar which required that all first semester courses conclude prior to winter recess. The Senate suggested an alternative in the calendar which would enable the first semester to continue past the Christmas holidays and the second semester to begin after "Olympic Break."

MRS. DUKEN ELECTED TREASURER OF SUNY-WIDE COUNCIL

Mrs. Judith Duken, chairperson of the College Council, has been elected treasurer of the Association of Council Members and College Trustees (ACMCT) of State University. The Association's directors unanimously elected Duken treasurer at the recent annual ACMCT conference in Saratoga Springs. An active member of the Association's Executive Committee, Duken has just completed two terms as secretary of the Statewide organization.

ACMCT coordinates a Statewide program for gubernatorial appointees to Councils at the State University's 25 State-operated campuses, including activities in Legislative relations, stewardship of local Councils to their campuses, the campus and SUNY budget process, presidential nomination and selection, and five-year presidential reviews.

Mr. Wayne Byrne, another member of the College Council, is an ACMCT director. President Joseph Burke and other members of the Plattsburgh Council took part in the three-day conference held in late October and devoted to the theme "Expectations of the Eighties." Speakers included SUNY Chancellor Clifton R. Wharton, Jr., Board of Trustees Chairman Donald M. Blinken, and Exxon Education Foundation Chairman Robert L. Payton.

TAC PROJECT HELPS CANADIAN FIRM TO MOVE INTO AREA, CREATES AREA JOBS

Plattsburgh State University College's Technical Assistance Center (TAC) was lauded by State Commerce Commissioner John S. Dyson for the successful procurement last week of a \$950,000 Farmers Home Administration loan guarantee which enabled a Canadian producer of freight containers to locate in nearby Ausable Forks. Mr. Erik Johnsen, TAC's economic development specialist, provided the projected financial reports for CORPAC, Ltd., a Montreal-based company which produces domestic and international freight containers, to successfully renovate an abandoned paper mill in the Clinton County community of Ausable Forks.

CORPAC's renovation of the former J&J Rogers Plant is expected to eventually create 135 jobs to area employees. Renovation work has started at the plant and CORPAC officials hope manufacturing operations will begin around the first of the year.

CAMPUS UNITED WAY FUND DRIVE AT 72% OF GOAL

The campus fund drive in support of the United Way of Clinton County totaled \$17,588 as of Monday, Nov. 6. This week's report indicated that 485 employees at Plattsburgh State have contributed to the campaign thus far, with a majority electing to donate by the payroll deduction method of giving. The total represents achievement of 72 per cent of the overall campus goal of \$26,950.

The following is a campus divisional breakdown of United Way giving to date:

Team		Goal	Pledges To Date	Per Cent Of Goal	
Professional and General Studies "A"	\$	2,400	\$ 2,109	88%	
Professional and General Studies "B"		2,000	1,421	72%	
Campus School		1,000	240	24%	
Arts and Science "A"		2,600	1,107	43%	
Arts and Science "B"		2,000	619	31%

CAMPUS DISCUSSION ON WORLD-WIDE NUCLEAR POWER SLATED FOR NOVEMBER 14

A symposium entitled "World Nuclear Power: Wisdom or Folly?" will be the topic of the Annual James N. Rosenberg Pathways to Peace Lecture Program to be held on the Plattsburgh State campus, Tuesday, Nov. 14. Guest experts in the field of nuclear power include Dr. Teodoro Halpern, director of the School of Theoretical and Applied Science at Ramapo College, NJ., and Dr. Paul Zweifel, distinguished professor of physics and nuclear science at Virginia Polytechnic Institute.

The program will begin at 3 p.m. in the College Center Music Lounge. Halpern and Zweifel will discuss the pros and cons of world-wide nuclear power with Dr. Fred Kissner of the College's Institute for Man and Environment.

The program will continue on Tuesday evening at 7:30 in Ballroom B of the College Center with lectures by Halpern and Zweifel on alternative energy sources to nuclear power and the sociopolitical effect of nuclear development.

Halpern is formerly associated with the Atomic Energy Commission of Argentina, and Zweifel, a recipient of the prestigious Lawrence Science Award for his work on neutron chain reactions, is a consultant to the U.S. Nuclear Regulatory Commission.

The Pathways to Peace Lecture Program was established at the College in 1966 with a grant from the late James N. Rosenberg of Scarsdale, artist and internationally known lawyer. This year's program has been arranged through the efforts of the College's Environmental Action Committee, Institute for Man and Environment, the Psychology Department and the Science and Society course.

HAMMERIN' HANK ON CAMPUS NOVEMBER 14

All-time major league home run champion Hank Aaron, who shattered Babe Ruth's fabled record of 713 career home runs, will be guest speaker on Tuesday, November 14, at 8 p.m. in Hawkins Halls Large Auditorium. Aaron was a 14-time National League All-Star with the Milwaukee and Atlanta Braves and the American League Milwaukee Brewers. Aaron's visit to campus is sponsored by the Student Association Speaker's Forum. Admission is free for Plattsburgh State students and \$1.00 for the general public.

CARDINAL ICERS VICTORIOUS IN OPENER; GRIDDERS CONCLUDE SEASON SATURDAY

The Cardinal hockey team, coming off a convincing 6-2 exhibition win last week against the University of Vermont, opened their regular season last Saturday with an 8-1 drubbing of visiting Bishop's University. At press time, the Card icers were readying for a Wednesday night home game with McGill University. On Saturday, coach Lou Frigon's squad will host the University of New Haven in an exhibition contest at the Field House. Face-off is set for 7:30 p.m.

The Cardinal football team will hope to play the "spoiler" role in Saturday's concluding contest against NCAA Division II title contender Albany State. The Cards, in one of their best offensive displays of the season, lost a 44-22 home game to Cortland Sate last Saturday dropping their overall record to 1-6. Albany State hopes to enter the NCAA Division II post-season playoffs with a victory over the Cardinals.

The women's volleyball team returned from last weekend's NYSAIAW regionals at Union College with a 2-2 record in the double-elimination tournament. The women spikers defeated Mercy College and Oneonta State but fell to West Point and Union College to up their overall record to 11-7. They conclude their season this Saturday as participants in the Concordia University Invitational in Montreal.

THIS WEEK'S CAMPUS SCENE

WEDNESDAY, NOVEMBER 8

7 pm — Women's Studies presents Dr. Buckley speaking on "Historical Background: Europe." FOB 2— Room 109.

8 pm — Environmental Action Film Festival presents Paine," "Making a Revolution," "Movable Scene," "Fale Gentle." Music Lounge, College Center.

THURSDAY, NOVEMBER 9

7 pm — People's Coalition "Speak Out." Cardinal Lounge, College Center

8 pm — Concert by Gerald Busby, composer and pianist. Mr. Busby has written works for the Paul Taylor Dance Company and for film maker Robert Altman. Open to all. Ballroom, College Center.

8 pm - NTA Production "Madwoman of Chaillot." Hartman Theatre. For ticket information call Fine Arts Box Office at

8 pm — RA Program "The Roommate Game." Algonquin Dining Hall. Open to all interested.

FRIDAY, NOVEMBER 10

9 am — Workshop with Gerald Busby, composer and pianist. Open to all. Myers Fine Arts 116.

4 pm - AAUP Forum. Cardinal Lounge, College Center. 7:30 pm — Intervarsity Christian Fellowship meeting. Clinton Dining Hall Lounge.

7:30 pm - Sigma XI Lecture Discussion. Cardinal Lounge, College Center. Open to all. Dr. Kenneth Loach speaker. 7:30 & 8:30 p.m. — Planetarium Show entitled "Astrology: What's It All About?" At one time in the past, astronomy and what's tall would? At other time mine past, astrology are astrology were generally practiced by the same people. Today the astronomer and the astrologer often find themselves in strong disagreement...or do they? Is there really astronomy in astrology or possibly astrology in astronomy? Tickets are available at the Main Office in Hudson Hall.

8 pm - NTA Production - "The Madwoman of Chaillot. Hartman Theatre. Ticket information available at Myers Box Office at 564-2283.

SATURDAY, NOVEMBER 11

9 am-6 pm — Montreal Bus leaves from and returns to the P.E. Building. Tickets are \$4.00 and available at the College Center Desk.

1 pm — PSUC football vs. Albany State. Cardinal Stadium (Field House). Last game of the season.

7:30 pm — PSUC hockey vs. Univ. of New Haven. Field House. Exhibition game. SA members 50¢, students and faculty \$1.00, public \$2.00.

8 pm - Sweet Adeline Concert. Hawkins Hall Large Auditorium.

SUNDAY, NOVEMBER 12
7 pm — SA Film — "The Late Show." Hawkins Hall Large Auditorium. SA members 50¢.

8 pm — NTA Production — "The Madwoman of Chaillot." Hartman Theatre, Ticket information available at Myers Box Office 564-2283.

9 pm — Gong Show. Presented by Adirondack Dorm Council. Admission 25¢. Open to all. Algonquin Dining Hall. MONDAY, NOVEMBER 13

3:30 pm - office of Career Planning and Placement will sponsor "Interview Training Workshop" for business majors. Learning Opportunities Center — Room 108.

8 pm - Department of Theatre presents a lecture by Thomas Martin on "Contemporary Shakespearean Production." Cardinal Lounge, College Center. Open to all.

TUESDAY, NOVEMBER 14

3:30 pm — Office of Career Planning and Placement will sponsor "Interview Training Workshop" for liberal arts majors. Learning Opportunities Center — Room 108.

- United University Professors will hold a membership and chapter meeting with speaker Jean Martin. Open to all Plattsburgh faculty and professional staff. Ballroom A, College Center.

4 pm - Tuesday Reflections - Ann Tracy "The Unwanted Guest: or, The Strange Case of the Romantic Wanderer. Open to all. Cardinal Lounge, College Center.

7 pm - Film - "Nights of Cabiria." Music Lounge, College

7 pm - National Organization for Women - Assistance for Battered Women Program. Mary Ann Dee speaker. City Public Library Board Room. Open to all.

7:30 pm — Rosenberg Lecture: "World Nuclear Power: Wisdom or Folly?" Speakers Dr. Paul Zweifel from Virginia Polytechnic Institute and Dr. Teodoro Halpern from Ramapo College, N.J. Open to all. Ballroom B, College Center.

8 pm — Speakers Forum presents Henry Aaron speaking in Hawkins Hall Large Auditorium. Open to all.

WEDNESDAY, NOVEMBER 15 4 pm - French Causerie. All French students and French

speakers invited. FA 232. pm - Women's Studies presents Dr. H. Pollard and Dr. P. Higgins speaking on "Women in Latin America" and "Women in the Middle East." FOB 2 - Room 109. All are welcome.

8 pm — Environmental Action Film Festival featuring "Crystals," "Natures ½ Acre," "Loons Necklace," "Between the Bodes," "Sky is Falling," "Yankee Painter: Winslow

THURSDAY, NOVEMBER 16

12:10 pm — Biology Lunch-time Seminar. "How to Read Wine Labels" or "Everything You Wanted to Know About Wine But Were Afraid to Ask." Dr. Vladimir Munk. Beaumont Hall, Room 432. Open to all. Bring your lunch.

4 pm — Physics Lecture. Dr. Charles P. Scholes, associate professor of physics, Albany State. "Endor on Heme Metalloproteins," Open to all.

8 pm — Slide presentation and lecture by Alice Neel, painter, in Ballroom B followed by a reception in Cardinal Lounge, College Center. Open to all.

NOTES: Myers Fine Arts Gallery is open to the public on Tuesday-Friday, 10 am-5 pm; Thursday, 10 am-9 pm and Sunday, 2-5 p.m.

Continuing Art Exhibitions until November 10. James Popalis, *Reflections Clothed in Light*, Cardinal Lounge, College Center, Rod Varney, *Sensations*, College Center, The Triangle, College Center (2nd floor gallery) and Myers Fine Arts Lobby.

"Traditions in American Basketry" until November 24 in Myers Fine Arts Gallery. Alice Neel paintings November 14-24, Rockwell Kent Gallery.

Montreal Theatre. Tickets are on sale for the Saturday, December 2 matinee performance at the Centaur Theatre of "Travesties" a brilliant and audacious comedy by British playwright Tom Stoppard. Tickets are \$2.50 at the College Center Desk. Montreal Bus transportation also available on this date

STATE UNIVERSITY COLLEGE OF ARTS AND SCIENCE

platt/burgh

COLLEGE'S INSTRUCTIONAL TELEVISION SERVICE BEGINS PROGRAMMING

Plattsburgh State's Instructional Television Fixed Service (ITFS), with a broadcast signal originating from the College's Instructional Resources Center facility in Yokum Hall, began regular programming on November 6, over both the College and community cable systems. The ITFS system, licensed by the Federal Communications Commission, provides a new medium for presenting instructional programming, campus news, lectures, symposia, sports events and pre-recorded educational television programs. The College's ITFS broadcast agreement with Au Sable Communications will enable an estimated 23,000 regional cable television subscribers to view programs originating from Yokum Hall on the Plattsburgh State campus. ITFS broadcasting from the College will be transmitted via Channel 10 on the cable system.

Dr. Richard Stowe, director of instructional resources at the College, said Plattsburgh State is one of a handful of colleges and universities anywhere capable of reaching mass audiences by way of community cable service. He said that for the remainder of the fall semester and during the spring term ITFS will be on the air from 3 p.m. to 4:30 p.m. and 7 p.m. to 8:30 p.m. Mondays through Fridays. Identical programming will be carried on the campus cable system during a 12-hour-per-week time block. The ITFS station will be operated by Plattsburgh students majoring in communications. Supervision will be provided by a full-time producer/director.

Stowe pointed out that a limited number of College credit and non-credit courses may be offered during a given semester over the ITFS system. "This particular kind of instruction will originate from our studio and be transmitted to all receiving points on campus as well as to the community over the cable system," Stowe said. "The ITFS instruction would be particularly advantageous to groups of residents who are institutionalized, whose schedules do not permit regular attendance on campus, or who simply prefer to learn in the privacy of their own homes."

Stowe and his staff are certain that the ITFS system will provide an added dimension to the College's public service role. "At present as many as 20,000 cable subscribers are seldom or never touched by programs of the College," Stowe said. "The ITFS link will offer the community the College's broad expertise in a variety of disciplines. I believe ITFS can become the community's electronic 'window' to the College."

A fact-sheet on Plattsburgh's ITFS system is available from the Instructional Resources Center. All faculty and staff who wish additional information on the system's capability or who would like to provide ideas for ITFS programs should contact Stowe at 564-2111.

COUNSELING COURSE FIRST TO BE OFFERED OVER ITFS

An innovative counseling course designed into an educational television series by Dr. Thomas H. Collins, associate professor of education at Plattsburgh State, will be the first course aired next semester over the College's new Instructional Television Fixed Service (ITFS) broadcast system.

The course, entitled "An Orientation to Counseling," was researched and produced by Collins. The series is composed of 36 locally-produced video-tapes oriented to providing a mediated instructional approach to counseling and interpersonal skills-acquisition training to persons in the "human services professions." Television cable subscribers can view the entire video tape series locally on Channel 10 beginning Wednesday, January 17, at 3 p.m. Each lesson will be repeated several times during the week. The class is being offered as either a credit or non-credit course. Persons wishing to enroll in the ITFS course or who seek additional information can contact the College's Continuing Education Office at 564-3050.

UNITED WAY CAMPAIGN AT 80.5% OF GOAL

With a few divisions yet to report, the Plattsburgh State campaign for the United Way of Clinton County has achieved 80.5% of the \$26,950 goal established for the campus. Contributions as of Tuesday morning, totaled \$19,727.71.

The number of contributors already has surpassed the final tally for 1977. Last year's drive ended with 540 campus employees contributing to the United Way. The latest report shows that 541 individuals — 52.2% of the work force at the College — have made gifts to the 1979 drive. Of the 541, 58.2% have elected to contribute via the payroll deduction method of giving.

MARKETING STUDENTS AWARDED \$1,000 TO PARTICIPATE IN NATIONAL COMPETITION

The Schenectady headquarters of Price Chopper Supermarkets awarded five Plattsburgh State marketing majors a \$1,000 grant to develop a long-range local marketing campaign to promote the positive aspects of the U.S free enterprise system. The campaign is part of a nationwide competition sponsored by the National Leadership Institute of Austin, Tx., and is designed to provide an "on-hands" marketing campaign project for college students in business related courses. Ms. Nancy Church, instructor of business/economics and faculty advisor to the project, explained that the Price Chopper grant will be used to devise a 1979 winter campaign to inform the area public on the advantages of our free enterprise system. The entire project will then be entered in regional competition in Newark, NJ., in April. Plattsburgh State will be one of 20 colleges and universities located in New York and New Jersey that will be involved in the regional competition. The Newark winner will receive \$2,000 and move on to a berth in the national competition held in Austin, Tx.

DR. LINK LEADING STUDY TOUR TO RED CHINA

Dr. Eugene Link, Plattsburgh State professor emeritus, and his wife, Beulah, are presently leading a study tour of twenty persons into the People's Republic of China. The two-week tour will take Link's contingent through the northeast sections of China and to the cities of Peking and Canton. Prior to departing for the study tour, Link explained that under China's new premier, Hua Kuo-feng, an even greater cordiality toward Americans has developed since the 1974 visit by former President Richard M. Nixon. China, for the first time in 40 years, has announced it will send 500 students to study in American universities in the near future. Dr. and Mrs. Link first visited China in 1976. They hope to observe the significant changes which have occurred since the death of Mao Tse-tung.

FEINBERG LIBRARY FEATURED IN OCTOBER ISSUE OF PROGRESSIVE ARCHITECTURE

Plattsburgh State's \$7.4 million Benjamin F. Feinberg Library was featured in the October 1979 issue of Progressive Architecture, an international publication with a circulation of more than 20,000. The four-page article, complete with diagrams and interior and exterior color photographs of the building, highlights the Rockwell Kent Gallery, College Center Courtyard and the first and second floor library stacks. This same publication featured the College Center in its April 1975 issue. The architectural work for both buildings was done by the firm of Erhmann Mitchell and Romaldo Giurgola.

SA CANDIDATES CAN PICK UP PETITIONS BY NOVEMBER 21

The Student Association Office announced that petitions for Tuesday, December 5, student elections are now available in the SA office. Petitions are open for the offices of SA president, executive vice president, five vice presidential positions, 15 Senate positions and one student assembly position. Positions are also available for one chief justice and four court of appeals justices. Signatures must be secured and petitions returned to the SA Office no later than Tuesday, November 21.

CARD ICERS ON THREE GAME WINNING STREAK; GRIDDERS AND WOMEN SPIKERS CONCLUDE SEASONS

Plattsburgh State's hockey Cardinals extended their regular season winning streak to three games with a 4-3 rematch victory over Bishop's University Monday night in Quebec. The win left the Cardinals 3-0 in regular season play and opened successfully a five-game road stretch for the Redbirds. The Cardinals begin defense of their New York Collegiate Hockey Association and State University of New York Athletic Conference crowns this weekend in Buffalo Friday night and Brockport, Saturday. After that, the Cardinals travel on to Lowell, MA., for a four-team tournament. The field includes Lowell University, Norwich University, and defending NCAA Division II champion Merrimack College.

Plattsburgh State's football squad dropped its final game of the season last week at Cardinal Stadium against a powerful Albany State unit, 32-7. The defeat left coach Dale Sprague's squad with a 1-7 record for the year.

The women's volleyball squad finished their season at 12-7 by sweeping St. Michael's College, 15-7, 15-6, 15-3. Coach Stu Baum lauded the women's overall record considering their expanded schedule against formidable opponents.

THIS WEEK'S CAMPUS SCENE

WEDNESDAY, NOVEMBER 15

7 pm — Women's Studies present Dr. H. Pollard and Dr. P. Higgins speaking on "Women in Latin America" and "Women in the Middle East." Room II-Room 109. All are welcome.

7 pm — Environmental Action Committee Current Issues Forum with Dr. David Johnson. Cardinal Lounge, College Center.

- Environmental Action Film Festival featuring 8 pm -"Crystals," "Natures ¼ Acre," "Loons Necklace," "Between the Bodes," "Sky is Falling," "Yankee Painter: Winslow Homer." College Center Music Lounge.

THURSDAY, NOVEMBER 16

Myers Fine Arts Gallery is open to the public on Tuesday-Friday 10:00 am-5:00 pm., Thursday 10:00 am-9 pm and Sunday 2:00-5:00 pm.

STATE UNIVERSITY COLLEGE OF ARTS AND SCIENCE Plattburgh

NEW BEOG MEASURE DOUBLES THE NUMBER OF STUDENTS ELIGIBLE FOR FINANCIAL AID

Nearly 2,200 Plattsburgh State students will be eligible next year for financial assistance with the recent passage by the 95th Congress of a new Basic Educational Opportunity Grants (BEOG) measure. According to Suzanne M. Sokolowski, the College's acting director of financial aid, the new legislation extends BEOG eligibility to students from families with incomes up to \$25,000. Sokolowski explained that the expanded BEOG eligibility will extend grants to an additional 1,200 Plattsburgh State students in 1979-80. Presently, approximately 1,000 students receive financial assistance from BEOG. The new measure broadens BEOG eligibility to provide for more equitable treatment for the single and married independent student.

The 95th Congress also passed a measure, effective last November 1, enabling an additional 600,000 students throughout the country to be eligible for Guaranteed Student Bank Loans regardless of parental income. The measure provides for an additional \$200,000 in funding for the following three campus-based programs: National Direct Student Loan, the College Work-Study Program and the Supplemental Educational Opportunity Grant.

Last year the College processed nearly \$2.5 million in aid for 1,900 students who applied for the Guaranteed Student Bank Loans. "Waiving the parental income will enable the number of students seeking federally subsidized bank loans to more than double next year," Sokolowski said.

The College's financial aid office will be presenting a series of workshops designed to assist Plattsburgh State students applying for financial aissistance under the new measures. Listed below are the dates, times and locations of each workshop.

Monday, December 4	6-7 p.m.	Macdonough Hall Main Lounge
Tuesday, December 5	6-7 p.m.	Kent Hall Lower Lounge
Wednesday, December 6	6-7 p.m.	Hood Hall Main Lounge
Thursday, December 7	6-7 p.m.	Whiteface Hall Main Lounge

SA MEMBERS GO TO THE POLLS ON TUESDAY; FOUR CANDIDATES SEEK PRESIDENCY

In what student officials contend is one of the largest fields of candidates in recent years, four Plattsburgh State seniors will be vying for the presidency of the Student Association in Tuesday's (Dec. 5) SA elections. As of the Tuesday, November 21 deadline, 20 students had registered for the 15 available SA Senate seats. In other races, five students are on the ballot for vice-president for finances; two are seeking to become vice-president for the arts; and two students are vying for seats as associate justice of the court of appeals. Unopposed for SA offices are candidates for executive vice-president, vice-president for academics and vice-president for student services.

Current SA president Bruce Mante believes the large field for Tuesday's election reflects the student body's positive view of the 1978 SA administration. "I think that SA officials have provided a great deal of visibility to the students and have been more than responsive to students' needs," Mante said. "Students are becoming more aware of the SA's integral part in the overall operation of the College."

The four seniors running for SA president are: John Burns, a sociology major from Huntington; Sarah Connair, a general studies major from Wilmington, DE; Rich Harlem, a political science major from Plattsburgh; and John Mitchell, a history major from Elizabethtown.

COLLEGE'S 'ADOPT A FRIEND' PROGRAM INVITES SÉNIOR CITIZENS TO CAMPUS

Eighteen senior citizens and residents of the Robert S. Long Apartments in Plattsburgh will be on campus Thursday, December 14, as guests of students enrolled in Dr. Ernest Coons' "Philosophy of Leisure and Recreation" course. The all-day program, titled "Adopt a Friend," is being coordinated entirely by students enrolled in the course. The program will begin in the morning with orientation designed to acquaint the senior citizens to the College's academic programs and public services. A tour of the Feinberg Library and campus dormitory will follow, and the on-campus program will conclude with a North Country Planetarium Show and luncheon. In the afternoon the students and Robert S. Long residents will return to the apartment complex to make Christmas arts and crafts and participate in a reception and sing-a-long.

CHANCELLOR WHARTON REVIEWS COLLEGE'S 1977-78 ANNUAL REPORT

The College's 1977-78 Annual Report has been favorably reviewed by State University Chancellor Dr. Clifton R. Wharton, Jr.

In a letter addressed to President Burke Wharton wrote: "Your annual report is a very attractive document reviewing Plattsburgh's accomplishments for the past year. Participation of the entire campus in discussion and review of the proposed Five-Year Plan evidently had a salutary effect on the campus community and, in addition, resulted in improvement of the Plan itself." Wharton also commented that the College's General Education Committee produced "what sounds like a good proposal, and I will be interested in the results of its implementation."

Wharton applauded the College's continued success in enrollment and retention of students. He also pledged that State University will continue to explore methods of dealing with budget problems. "I am well aware of Plattsburgh's public service contributions, particularly the Technical Assistance Center, which is a useful model for other institutions to examine, Wharton wrote. "Outside accomplishments and recognition of faculty and student achievements along with the success in securing outside funding, attest to the academic and research quality of the campus."

PSYCHIC TO PERFORM FOR COLLEGE-COMMUNITY AUDIENCES

Plattsburgh audiences will once again have the opportunity to witness the amazing mental powers of genuine psychic Philip Jordan, on Friday, December 1, at 8 p.m. in the Plattsburgh State University College Center Ballroom. Jordan will also conduct a special seminar session for Plattsburgh State students on Saturday from 2 p.m. to 4 p.m. in the College Center Music Lounge. Jordan became a national psychic figure in August of 1975 when he lead a search team into the dense woods surrounding southwestern New York's Tioga County to locate a missing six-year-old boy. The search effort was successful. Since that time he has performed similar feats involving lost persons and objects as well as lecturing at colleges and universities throughout the U.S. and Canada. His self-style presentation will include levitating furniture and lying between the backs of two chairs in a cataleptic state. But most amazing of all will be his ability to touch individuals from the audience with facts about their past, present and future, which he claims proves that he has "broken all barriers of the mind."

Jordan's presentation is 50¢ for the general public and free to Plattsburgh State students. On Saturday, Jordan's special seminar will be open to the first 100 Plattsburgh State students who sign up at the College Center Information Desk. Jordan's presentation is sponsored by the Student Association's Academics Board.

X-COUNTRY TEAM NINTH IN NATIONALS; HOCKEY TEAM ROLLS ON; MEN'S AND WOMEN'S BASKETBALL OPENS

Coach Dan Klein's cross-country team finished a surprising ninth out of 23 teams in NCAA Division III Championships held at Augustana College, (IL), on November 18. It was the Cardinals' best showing ever in cross-country competition. The Cardinals finished with 291 points and, among New York State schools represented, was only behind seventh place finisher Fredonia State (226 points). Junior BobRussell of Glens Falls was the first Cardinal to finish as he came in 42nd among 226 runners with a time of 25:06 minutes over the five-mile flat course.

In hockey the Cardinals maintained an unblemished early season record (7-0) as they prepared to play Union College this Wednesday (Nov. 29). Coach Lou Frigon's squad impressed the entire ECAC Division II college ranks by capturing the Lowell Hockey Invitational Tournament last weekend in Massachusetts. The Cardinals, led by all-tourney defensemen freshmen Rick Young and sophomore Doug Kimura, humbled defending NCAA Division II Merrimack College, 6-5, in the first tilt and knocked-off host Lowell University, 3-2, in the title game.

Both men's and women's basketball open against Vermont opponents on Wednesday night (Nov. 29). Coach Norm Law's cagers begin their 25-game schedule on the road against the University of Vermont while the women will be at home that afternoon at 4:00 against St. Michael's College. The men will be at home on Saturday at 7:30 p.m. to host Castleton State College. The women follow-up their Wednesday contest with a Sunday (Dec. 2) home game against Johnston State at 2 p.m.

The women's swimming and diving team owns a 2-4 record as they travel this weekend to the McGill University Invitational accompanied by the Cardinal men's squad.

THIS WEEK'S CAMPUS SCENE

WEDNESDAY, NOVEMBER 29

4 pm — Russian Series: Soviet Exchange Scholars Aleksei Martinov and Vladimir Uledov will speak on "Conservation and The Environment in the Soviet Union." Open to all. College Center Cardinal Lounge.

7 pm — Women's Studies Series: "Women in Socialist Societies." Dr. Carol Leonard. FOB 2, Room 109.

8 pm — Environmental Action Film Festival: "Reptiles and Amphibians," "Grizzly Bear," "Great Chase," "Zebras" and "Bonsai." College Center Cardinal Lounge.

THURSDAY, NOVEMBER 30

12:10 pm — Biology Lunch-time Seminar. "Prospective Research in Soil Studies in Northeastern New York." Dr. James Brown. Beaumont Hall, Room 432. Open to all. Bring your lunch.

10 am- 4 pm — Adelphi University will present its "Lawyer Assistance Program" sponsored by the Placement Office. Open to all. College Center Conference Room.

1:15 pm — Faculty Exchange Scholar from SUNY, Binghamton, George E. Wellwarth will hold an informal discussion on Modern Drama. Faculty and students are most welcome. College Center Cardinal Lounge.

7:30 pm — PSUC hockey vs. Union College. Field House. SA members 50¢, students and faculty \$1.00, public \$2.00.

8 pm — Off-Campus Housing Workshop. College Center Conference Room.

8 pm — Faculty Exchange Scholar George E. Wellwarth will speak on Mindlessness in Modern Drama. Open to all. College Center Cardinal Lounge.

FRIDAY, DECEMBER 1

STATE UNIVERSITY COLLEGE OF ARTS AND SCIENCE PIOTTO PIOTTO

DR. JANE GORE AUTHORS \$41,000 GRANT TO ASSIST LOCAL APPLE INDUSTRY

The problem of involving more local labor in the annual Clinton County apple harvest is the subject of a \$41,000 demonstration/research project grant funded by the U.S. Labor Department. The project proposal, submitted by Plattsburgh State and the William H. Miner Agricultural Institute in Chazy, was prepared by Dr. Jane Gore, assistant professor of home

economics at the College. Mr. James A. FitzPatrick, president of Miner Institute, recently signed the contract with the Department of Labor's Office of Research and Development, Employment Training Administration. In addition to the grant monies, Miner Institute will contribute approximately \$14,000 of in-kind services for the demonstration project.

According to Gore, who will direct the project, funding from a portion of the grant will be used to employ a variety of recruitment techniques to secure a sample of approximately 30 regular, full-time local citizens to help in next fall's six-week apple harvest. Gore, along with a team of faculty members from the College's Home Economics Department, will document and assess the overall demonstration project in such a way that it can provide a model that can easily and inexpensively be repeated elsewhere.

"What we hope to accomplish in the outset," Gore explained, "is how to better coordinate and maximize the hiring of domestic labor that can meet the crucial harvest time restraints of the local apple industry."

In the past, local orchardists have suffered financial losses because of an insufficient full-time domestic labor pool to harvest the apples. The demonstration/research project will offer a variety of potential incentives that will lure most domestic workers to the orchards including round-triptransportation, on-site child care and a hot lunch program. Gore maintains that the overall goal of the project is to encourage on-going local inter-institutional cooperation in dealing with the apple industry's harvest problem. "This is a multi-disciplinary approach which involves the expertise and services of local institutions like Plattsburgh State and Miner Center," Gore stated.

ADMISSIONS COORDINATES PEER RECRUITMENT PROGRAM

The College's Admissions Office is currently in the process of coordinating its "Student Peer Recruitment Program" for the 1978-79 academic year. Now in its third year, the program involves Plattsburgh State students who volunteer to visit their local high schools during the first two weeks in January. Admissions officials believe that the opportunity for high school students to talk with currently enrolled college students has value. Evaluation of the College's past peer recruitment programs indicates that "students relate easier to students" and that "students are the best source of first-hand information."

Results from the survey of freshmen who participated in the College's summer orientation are supportive of the student peer recruitment evaluation. According to the present freshmen who were surveyed, 62 per cent (615) of the 922 students polled said that friends/acquaintances attending Plattsburgh State impressed them and encouraged them to apply. Of that total, 62 per cent (381) said this factor had a major influence on their decisions to apply for admission to the College.

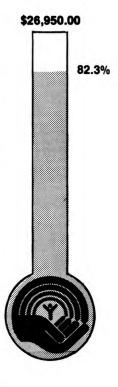

During the remaining weeks of the semester, the Admissions Office is organizing workshops for interested students who wish to participate in this year's peer recruitment program. Information on financial aid, admissions procedures, student life on campus and the College's curriculum offerings is provided in the workshops. Dates and times for this week's workshops are listed in WEEKLY.

1,710 STUDENTS FAST FOR UNITED WAY; WEEKEND FUND-RAISING EVENTS PLANNED

As part of the student body's effort to contribute to this year's Clinton County United Way campaign, 1,710 students are fasting today (Thurs., Dec. 7) in behalf of the 1979 fund drive. The students signed up to pledge giving up at least one meal (lunch or dinner) in return for a percentage of the food cost going to the student's United Way goal. Mr. Ray Gromelski, coordinator of the student drive, explained that the agreement between the students and Marriott Corporation should raise nearly \$1,200. The student fast is being organized by the Adirondack Residence Hall Council.

Other residence hall councils have activities planned for this week with proceeds going to the United Way. On Friday (Dec. 8) deFredenburg Hall will sponsor a pancake breakfast from 10 p.m. to 3 a.m. in Clinton Dining Hall. Admission to the breakfast is \$1.50. Residents of Kent Residence Hall are organizing a weekend campus foosball tournament (Dec. 8-10) in the main lounge of Macdonough Residence Hall. The entry fee is \$2.00 and prizes will be awarded in the categories of two-person and four-person competition.

As of Tuesday (Dec. 5), the College has raised \$20,151.71 in support of this year's United Way. This year's United Way student goal is \$2,435.

FACULTY SENATE SENDS CHEATING POLICY BACK TO COMMITTEE; VOTE ON GENERAL EDUCATION TABLED

During their November 28 meeting, members of the Faculty Senate voted that articles I and IV of the provisions concerning the College's regulations governing cheating be referred back to the Standing Committee on Undergraduate Studies. The two articles, the College's definition of cheating and the role of the academic progress committee, will be reviewed by the Committee. After lengthy debate the Senate eliminated articles I and II of the cheating policy referring to the responsibilities of the student and instructor.

In other business, the Senate tabled a request by W. Raney Ellis III, associate professor of psychology, that the Senate-adopted general education program be submitted to a vote by the faculty. Dr. Richard Robbins, chairman of the Faculty Senate's Standing Committee on Undergraduate Studies which is adopting the new general education guidelines, announced that his committee will finalize their report by Thursday (Dec. 7) and distribute their decision to all faculty members before the end of the first semester (Dec. 22).

COLLEGE ENTERS GUARANTEED ADMISSION AGREEMENT WITH HUDSON VALLEY CC

Plattsburgh State and Hudson Valley Community College in Troy have developed an agreement which guarantees the admission of students who complete the two-year degree program in environmental health at Hudson Valley to the College's BA major in environmental science. According to Dr. James Dawson, chairperson of the College's Environmental Science Department, Hudson Valley students will be guaranteed admission to Plattsburgh State with an advanced standing of 64 semester credit hours, and assuming good academic standing at the College, these students will be able to complete the BA requirements in four semesters. The Environmental Science Department also has guaranteed admission agreements with Paul Smith's College and Ulster County Community College.

DOLPHINS TO CREATE BIG SPLASH IN ANNUAL CHRISTMAS SHOW

Twenty-one talented synchronized swimmers will perform in costumes and under show lighting as the Plattsburgh State Dolphins present their annual Christmas show Friday and Saturday, December 8-9, beginning at 7:30 p.m. in Memorial Hall Pool. The Dolphins' swimming routines will depict Christmas traditions of happiness and fun, and faithful Christmas carols and design. Mr. Don Dixon, a member of the College's instructional resources staff, has installed a sound system which can be amplied underwater so that musical routines can be easily heard by the swimmers. Admission to the Friday and Saturday evening shows are 25¢ for students and 50¢ for adults. The Dolphins are coached by Ms. Carole Hass, assistant professor of health, physical education and recreation.

CARD HOCKEY AND BASKETBALL TEAMS CONTINUE WINNING WAYS

Plattsburgh State's hockey and basketball squads continue to roll over opponents in maintaining unblemished early season records. Coach Lou Frigon's icers clubbed Union College, 15-4, and Cortland State, 12-3, last week to up their season record to 9-0. The Cardinals go on the road this weekend to face top ECAC Division II West contender Elmira College on Friday (Dec. 8) and SUNYAC foe Geneseo State on Saturday (Dec. 9). On Tuesday, (Dec. 12) the Cards will be at Norwich University.

The Cardinal cagers cruised to easy victories over Vermont foes Castleton State and Norwich last week to bring their early season record to 3-0. The Cards are at Middlebury College Wednesday (Dec. 6) and then participate at the Hamilton College Tournament this weekend (Dec. 8-9) along with Utica College and Drew University.

The women's and men's swimming teams will participate in a tri-meet in Albany on Saturday (Dec. 9) against Albany State and R.P.I.

Coach Phoebe Sturm's women's cage team, looking for their first win in three starts, takes a weekend trip to the Capital District for contests against Albany State (Dec. 8) and Siena College (Dec. 9). They travel to Castleton State on Tuesday (Dec. 12) to close out their first semester schedule.

THIS WEEK'S CAMPUS SCENE

WEDNESDAY, DECEMBER 6

7 pm — Women's Studies Series: "Women as Victims" by Ms Harper and Ms. Kelly. FOB 2, Room 109.

SUNY BUDGET CUTS WILL NOT AFFECT COLLEGE

The College will not be affected by budget reductions recently mandated for 10 SUNY campuses which did not meet enrollment quotas for academic 1978-79.

President Joseph C. Burke said that the nearly 13 per cent increase in students who applied for admission to this College for the current semester enabled Plattsburgh State to meet its enrollment goal of 5,600 full-time students.

According to an announcement last Wednesday (Dec. 6) by Associate Vice-Chancellor for Finance, William Anslow, a drop in full-time enrollment of 5,000 students at 10 SUNY units has necessitated budget cuts at those components in this year's fiscal budget totaling \$2 million. As a result, the presidents of 10 SUNY campuses that had major enrollment shortfalls this fall have been advised of spending cuts that have to be made by March 31 — the end of the 1978-79 fiscal year. Anslow explained that budget cuts on these campuses would range from \$40,000 to \$400,000.

"Surpassing our enrollment goal indicates that students are seeking admission to the College because of the quality and diversity of our academic and extracurricular programs," Burke said.

Burke also lauded the efforts of the admissions office for achieving the College's enrollment goal without lower admissions standards at a time when many colleges and universities are experiencing a reduction in the number of students. "While our admissions program has proven successful this year, we must double our efforts in the upcoming months in order to avoid the enrollment problems that have beset other SUNY campuses," Burke said.

SUNY REQUESTS 8.3% BUDGET INCREASE FOR PLATTSBURGH

The following table shows State University of New York's budget request for fiscal 1979-80 for the ten established senior Colleges of Arts and Science in the University system. The budget request is being reviewed currently by officials in the Governor's Office of Management and Budget.

FTE Enrollment

	Budgeted 1978-79	Request 1979-80	Adj. Base 1978-79	Request 1979-80	Change	% Change
Brockport	8,710	8,150	23,488,900	24,542,100	1,053,200	4.5
Buffalo	9,456	9,150	25,247,500	26,281,400	1,033,900	4.1

DR. CLARKSON TO DELIVER MID-YEAR COMMENCEMENT ADDRESS

Dr. Philip B. Clarkson, Dean of the Faculty of Arts and Science, will be the principal speaker during informal commencement exercises honoring December graduates of the College. The commencement program is scheduled for Friday (Dec. 22) at 2

p.m. in Hawkins Hall Large Auditorium. Clarkson's speech, entitled "Some Degree of Importance," will mark his final appearance in an official capacity as earlier this fall he announced he would resign to return to his home in northern California, effective at the end of the semester. Clarkson joined the College's faculty in 1973 as Dean of Humanities and Professor of Communications and Theatre Arts. He was invited to address the December graduates by President Joseph C. Burke.

Nearly 300 students have applied as candidates for bachelor's or master's degrees or for Certificates of Advanced Study at the end of the fall term. Approximately one-quarter of that number is expected to take part in Friday's ceremony. The Registrar's Office has requested all participants to assemble at Hawkins Hall no later than 1:30 p.m. on Friday.

President Burke will preside at commencement and confer the degrees. Vice President for Academic Affairs Dr. Jerome Supple will present the candidates. A reception for the December graduates and their guests will be held in the Ballrooms of the College Center immediately following the program.

STUDENT UNITED WAY DRIVE EXPECTED TO EXCEED GOAL; BENEFIT DANCE PLANNED

Contributions from last weekend's campus United Way fund drive among students surpassed \$1,200 to bring total student giving to \$1,624. Last Thursday's student fast raised \$1,101.80 of the total figure reported. Tabulation of monies collected in contributions in support of last weekend's sale of flowers, a pancake breakfast and a foosball tournament was incomplete at press time. However, student campaign leaders expressed confidence that income from these activities and a benefit Christmas dance scheduled for 8 p.m. Friday (Dec. 15) in the campus pub will push the total past their 1979 United Way goal of \$2,435. Student giving last year totaled \$1,820.

The campus-wide drive, excluding income from student-organized activities, has been stalled at \$20,151 (82.3% of goal) for the past two weeks. College President Joseph C. Burke praised the efforts of the institutions's undergraduates, but urged all employees who have yet to give or make a pledge via the payroll deduction method to contact their solicitors before the end of the semester next week.

PLATTSBURGH STUDENTS REPRESENT ONE OF THE LARGEST SUNY CONTINGENTS STUDYING ABROAD

Plattsburgh State students who have chosen a semester of foreign study represent one of the largest contingents of State University students going abroad. According to information supplied by the College's International Education and Canadian Studies Department, 48 Plattsburgh State students in the past year have studied at least one semester in overseas countries. For example, ten Plattsburgh students are among 38 SUNY students participating in a one-semester foreign study program in London sponsored by Brockport State. Other foreign countries where Plattsburgh students are studying in the social sciences and humanities inlcude, Israel, Mexico, Colombia, Spain, France and Denmark.

Dr. Richard Beach, director of the College's International Education and Canadian Studies Department, said that in the past year 35 Plattsburgh State students have studied at Montreal's McGill University and another dozen are located in Quebec City. Both of these SUNY programs are coordinated by Plattsburgh State. Recently, Beach has met with college officials at Carlton University in Ottawa to draw up guidelines for the establishment of another SUNY Canadian Studies opportunity administered by the College. Beach is hopeful that the program with Carlton University can begin next fall.

MEN'S HOCKEY AND BASKETBALL TEAMS HAVE WIN SKEINS SNAPPED

Plattsburgh's men's hockey and basketball teams saw their winning streaks snapped on the road last weekend.

The Cardinal hockey team, rated number one in NCAA Division II polls last week, enjoyed a short reign as the top team in the division by suffering a 10-3 thrashing Friday night at the hands of number six Elmira College. The Cards came back the next night to thump Geneseo 15-6 — upping their season record to 9-1. At press time the Cards were at Norwich University, and then host Potsdam State on Thursday (Dec. 15) at 7:30 p.m. and Oswego State on Saturday at 2 p.m. Co-captain Danny Brown was recognized as ECAC Division II Hockey Player of the Week for his efforts in wins over Merrimack, Lowell and Union College. The senior forward leads the team in scoring with 36 points on 14 goals.

Plattsburgh's men's cage team dropped two in a row at last weekend's Hamilton College Tournament. On Friday, the Cards were defeated by host Hamilton College, 77-66, then proceded the next night to lose the consolation contest to Utica College, 81-78. The two losses dropped the Card's record to 4-2. Junior forward Kevin Baldwin was named to the ECAC Division II Honor Roll last week for his 59 point and 33 rebound total in three contests.

The Cardinal women cagers were victorious in two-out-of-three games last week. Coach Phoebe Sturm's squad defeated North Country Community College and Albany State by similar scores of 65-54, but dropped an away contest to Siena College, 67-51. The women go into the semester break with a record of 2-4.

CREDIT UNION EXPANDS HOURS

The SUNY Plattsburgh Federal Credit Union has expanded its business hours, effective immediately, for the period leading up to Christmas Day. Ms. Clara LaRose, credit union treasurer/manager announced that the Credit Union office on the seventh floor of the Kehoe Administration Building will be open for the convenience of members from 12 to 12:30 p.m. and from 4:30 p.m. to 5 p.m. Mondays, Wednesdays, Thursdays and Fridays through Dec. 22. On Tuedays the office will be open from 12 to 12:30 p.m.

CHRISTMAS RECESS SKATING TIMES ANNOUNCED

Public skating at the Plattsburgh State Field House will be offered on three days during the Christmas Recess. Skaters may use the ice from 9:15 a.m.-10:45 am. on Tuesday, December 26, Thursday, December 28, and Tuesday, January 2. Admission will be 50¢ for Plattsburgh State students, faculty and staff and their families and 75¢ for the general public.
